PAMELA KLEIN, SOM, B.A., M.ED.
Doctor of Laws, *honoris causa*

Pam Klein has been a driving force in southern Saskatchewan for decades. She is a role model to women who aspire to be entrepreneurs and community leaders, committed volunteer, and fierce advocate for her community.

Klein's roots at the University of Regina run deep. After completing a bachelor's degree from the University of Regina in 1981, she went on to complete a Master's in Education at the University of Manitoba. More recently, she served a total of 12 years on the University of Regina's Board of Governors, as a board member, vice-chair, and as the ninth Chancellor from 2019 to 2025.

Klein built her career helping organizations tell stories and connect with their audiences. She is the Past President of the Phoenix Group, where she spent 16 years as president and 10 years as a director. The Phoenix Group is Saskatchewan's leading advertising and communications firm, and she was recognized many with awards for commitment to excellence.

Within her community, Klein has a long history of public service with a number of organizations and agencies, including the YWCA, Camp Circle O' Friends, Greenwave Innovations, MacKenzie Art Gallery, the Hill Levene School of Business, Hospitals of Regina Foundation, Saskatchewan Film, and Heritage Regina. Klein is also a founding member of the Saskatchewan Roughriders Foundation and the founder of Power of Pink, an event that supports breast health with over $1,000,000 raised for local breast cancer charities.

In addition to the many awards she's received in her professional career, Klein has been recognized for her contributions to her community. She has been awarded the Saskatchewan Order of Merit, the University of Manitoba Award of Distinction, the YWCA Women of Distinction Award for Excellence in the Community, an ABEX Award for Philanthropic Contributions, a Philanthropic Outstanding Leader award, the Queen Elizabeth II Del Gratia, the Queen Elizabeth II Platinum Jubilee Medal, and the Regina 25 Award of Merit.

Outside of her professional and volunteer endeavors, Klein is married to Stephen Powell and has two adult children, Elias and Greta.

HONORARY DEGREE RECIPIENT

Thursday, November 12 | 2:00 p.m.

RUTH SMILLIE, SOM
Doctor of Fine Arts, *honoris causa*

Ruth Smillie is a highly regarded Artistic Director, director, playwright, administrator, and teacher.

Smillie began her career working as an actress across western Canada, performing in Vancouver, Calgary, Edmonton and Saskatoon. Over the next two decades she held a variety of positions in the arts, and in theatre in particular, including Artistic Director of the Persephone Theatre Youtheatre in Saskatoon, Artistic Director of Catalyst Theatre in Edmonton, and Performing Arts Consultant for the Saskatchewan Arts Board in Regina.

In 1998, Smillie was appointed Artistic Director and CEO of Globe Theatre, where she spent the next 21 years staging world-class productions for southern Saskatchewan audiences. During her time at the Globe, she conceived and produced Lanterns on the Lake, an annual outdoor celebration of art and community that was a signature event in Regina for many years. She also initiated the Shumiatcher Sandbox Series, which develops and presents new work and experimental theatre created by Saskatchewan artists. Smillie continues to serve as an Artistic Director Emerita for the Globe. After leaving Globe Theatre in 2019, Ruth Smillie served as the founding CEO of the Darke Hall for 5 years. The society operates Darke Hall as a stand-alone, non-profit for the benefit of the university, artists, audiences, and the wider community.

In addition to her work at the Globe Theatre and Darke Hall, Smillie has impacted Regina and beyond through volunteering, including with Dis' Community Arts and The Other Ordinary Theatre, Business for the Arts in Canada, the Mayor's Community Visioning Initiative, Economic Development Regina, and several other non-profit and community-driven organizations.

Smillie has been recognized for her lifelong dedication to the arts and theatre community, receiving the Saskatchewan Order of Merit, a Saskatchewan Centennial Medal, a YMCA Women of Distinction Arts Award, and a Queen's Golden Jubilee Medal, among others.

Ruth Smillie is the proud mother of three outstanding adult children—Emmaline, Tom, and Lucy Hill, and grandmother to Davey, Giselle, and Ellis.

ACADEMIC REGALIA

At Convocation ceremonies, the academic regalia worn by the graduates and the members of the platform procession may consist of a gown, a hood or stole (worn over the shoulders), and a hat or mortarboard. All universities have distinctive academic dress for each degree conferred and, at times, for the disciplines in which the degree is awarded.

With the exception of students graduating with a PhD and federated college students, graduates wear black gowns. PhD graduates wear a black velvet gown with green and gold trim and a black velvet tam with gold tassel.

Students graduating from the University of Regina who have been registered through a federated college wear the following: red gowns for Campion College students, sky blue gowns for First Nations University of Canada students, and royal blue gowns for Luther College students. Students are welcome to wear their Indigenous ceremonial dress, other cultural ceremonial dress, or their military or law enforcement dress uniform with, or instead of, the gown at the Convocation ceremonies.

The following is a list of the Undergraduate and Graduate degree hoods. With the exception of the Doctor of Philosophy hood, the first and second squares represent the colour of the outside and inside trim, or lining, respectively. The third square represents the colour of the decorative cord. The Doctor of Philosophy hood is black and royal blue velvet (traditional PhD colours) with inserts of gold and green satin (University of Regina colours).

CEREMONIAL FURNITURE

The three ceremonial chairs were a gift to the University of Regina from Dr. Terence R. McKague, who served as Chancellor from 1989-1995. The chairs were acquired from Carmichael United Church, Dr. McKague's boyhood place of worship. This ceremonial furniture is incorporated into all official ceremonial functions.

ORGANIZATIONAL STRUCTURE OF THE UNIVERSITY

The University of Regina is situated on Treaty 4 lands with a presence in Treaty 6 territory. These are the territories of the nêhiyawak (Cree), Anihšinapek (Saulteaux), and Dakota, Lakota, and Nakoda, and the homeland of the Métis/Michif Nation. Today, these lands continue to be the shared territory of many diverse peoples from near and far.

The University of Regina operates under the terms of *The University of Regina Act*. Convocation comprises the Chancellor, the Senate, all graduates of the University of Regina, all graduates of the University of Saskatchewan at Regina Campus, and such other classes of persons as the Senate may from time to time determine. Convocation meets twice annually, in June and November, unless there are extraordinary circumstances.

The Chancellor is elected by the members of Senate, holds office for three years, presides over Convocation, confers degrees and is *ex officio* Chair of the Senate and a member of the Board of Governors.

Senate is the University's "window on the world." It is concerned with the academic welfare of the institution and has a variety of duties and powers. Most of the broader issues of academic policy within the University are reserved for Senate's approval. In another role, it acts as an ultimate court in academic affairs. The membership of Senate includes persons *ex officio*, or by virtue of the University offices they hold. Convocation elects another fourteen members of Convocation to the Senate. Students registered in the University elect six students of the University to Senate. In addition, any professional society, group or organization in the province that Senate believes contributes in a significant way to the social, economic and cultural welfare of the province may be represented on Senate.

The Board of Governors consists of eleven members and is responsible for overseeing the administrative and business affairs of the University. It ultimately has authority in matters related to the raising and spending of University funds, and the acquisition and management of University property.

Council's membership includes administrative officers, all Deans and directors of academic programs, all full-time members of the teaching staff, and a number of student representatives. All matters of substance related to the academic affairs of the University, as well as matters of academic discipline, must be considered and approved by the Council.

The Executive of the University of Regina Council (Executive of Council) has been empowered by Council to act on its behalf. Executive of Council membership is devised as a proportional basis of the academic composition of the University.

Disciplines that are related to one another in the broader areas of teaching are, for purposes of administrative and academic planning, brought together into Faculties, of which there are currently ten. Each Faculty is headed by a Dean; formal membership includes the Dean and the teaching members of the various associated disciplines. The Deans are recognized by *The University of Regina Act* as being the heads of their respective Faculties and are directly responsible to the President through the Provost and Vice-President (Academic). Subject to the statutes of the Senate and the University of Regina Council, each Faculty has charge of all matters of scholarship in its disciplines and programs.
