

Hill Mentor Program

Mentor Guidelines

What is the Hill Mentor Program?

- The Hill Mentor Program will pair current 3rd and 4th year business students with community business partners, based on a match between their interests.

What can mentors offer to students?

- **Advice:** Mentors can serve as a sounding board for student questions about the business world, business etiquette, resume preparation, or other relevant topics.
- **Networking:** Mentors can assist students in learning more about an industry in order to help students better understand an industry's structure and potential career opportunities.
- **Experiential Learning:** Mentors can share their wealth of experience to give students real-world insight into industry trends.

Who can participate?

- Mentors can come from any area of the business community, including for-profit businesses, not-for-profit organizations, crown corporations, and government departments.

How to apply to become a mentor:

- Fill out the **Mentor Application Form** at <http://www.uregina.ca/admin/mentor/>
- In mid-October we will send you an e-mail that provides information about the match-up process. Your assigned student will contact you before the end of October.

Deadline for applications: September 30, 2011
