

Hill Mentor Program

Student Guidelines

What is the Hill Mentor Program?

- The Hill Mentor Program will pair current 3rd and 4th year business students with community business partners, based on a match between their interests.

What do students gain from participating?

- **Advice:** Your mentor can serve as a sounding board for questions about the business world, business etiquette, resume preparation, or other relevant topics.
- **Networking:** Your mentor can assist you in finding out more about an industry to help you better understand the industry's structure and potential career opportunities.
- **Experiential Learning:** Your mentor's experiences can provide you with valuable insights into industry trends.

Who can participate?

- Students must have completed at least 60 credit hours toward the Bachelor of Business Administration degree in order to participate.

How to apply for a mentor:

- Fill out the **Student Application Form** at <http://www.uregina.ca/admin/mentor/>
- Follow the instructions provided to you by e-mail in mid-October when you are matched with a mentor.

Deadline for applications: September 30, 2011
