Capturing 2011 Spring Convocation

Special arrangements have been made with the University of Regina for graduates to be photographed during Spring Convocation. This candid photo will serve as a great reminder of your convocation and provide the type of picture your family and friends can't get sitting in their seats. The candid photo will be taken on the platform as the graduate is being congratulated by the President and Vice-Chancellor, Dr. Vianne Timmons, upon presentation of their degree/ diploma/certificate.

Your candid photo will be returned to your mailing address within 3-5 weeks following the Convocation Ceremony, and at that time you may order extra copies in additional sizes and quantities if you wish. The deadline for registration is June 3, 2011.

In addition to this candid photograph, Cornerstone Photography offers you a traditional graduation portrait sitting, commemorating your successful graduation. Gowns and hoods will be provided for this photograph. To schedule your appointment please call our studio at 789-4550.

Cornerstone Photography looks forward to being part of the celebration by capturing your special achievement.
