

# Letter of Support

## Application for Graduate Scholarships and Awards

The letter of support is an important aspect of the student's application. It gives the Scholarship and Awards Committee additional insight into how the student is performing in his or her program.

The letter of support can be submitted in two ways:

- 1) e-mailed directly to [grad.funding@uregina.ca](mailto:grad.funding@uregina.ca) from the referee's official e-mail address. A signature is NOT required if sent by e-mail; or
- 2) placed in a sealed and signed envelope and given to the student to include with their application.
