The left sidebar is a dark navigation panel with a 'Welcome to' message, the title 'UofR GAPS Application', and a description: 'This is the Navigation Panel. This area is dynamic based on your place in the application and can be used as a primary tool to navigate subsections of the application.' When you are looking through the **Search All Awards** or **Awards Currently Accepting Applications** screens you can search different ways through the awards.

To look for awards by **Faculty**, click on the **Search** filed and type in the *Faculty* name. It does not need to be the full Faculty name for example for Faculty of Engineering & Applied Science put in **Engineering** then click on **Go**.

It will then show you awards that are only for students in the Faculty of Engineering & Applied Science. Please know that even if you are an Engineering student you will still need to meet all of the criteria listed in the Eligibility Screen in order to apply.

Another way to search is by using the column headers along the top of the list of scholarships. You can click on a column to search scholarships by that column

A screenshot of the 'Search All Awards' web interface showing a table of scholarships. The title 'Search All Awards' and 'Report Date 24-Jan-2018' are at the top. Below the search bar, there is a table with 14 columns: Scholarship Name, Scholarship Type, # of Awards, Award Value, Deadline, Award Category, Faculty, Department, Disability, Female, Travel, Citizenship, Indigenous, and Nominated No Application Required. The first row of data shows an 'Aboriginal Graduate Student in Public Policy Studies Scholarship' with 1 award of \$4,000, a deadline of September 30, and is categorized as 'Masters' under 'Public Policy' in the 'All Public Policy' department. The 'Female' column is 'Non Applicable', 'Travel' is 'Non Applicable', 'Citizenship' is 'Non Applicable', 'Indigenous' is 'Yes', and 'Nominated No Application Required' is 'No'. A 'Back' button is in the top right corner.

Scholarship Name	Scholarship Type	# of Awards	Award Value	Deadline	Award Category	Faculty	Department	Disability	Female	Travel	Citizenship	Indigenous	Nominated No Application Required
Aboriginal Graduate Student in Public Policy Studies Scholarship	Main Scholarship Application	1	\$4,000	September 30	Masters	Public Policy	All Public Policy	Non Applicable	Non Applicable	Non Applicable	Non Applicable	Yes	No

For example you can click on the **Female** header and choose **YES** if you would like to search for awards that apply to Female's only.

This is the same for the **Indigenous** column header. You can click on the **Indigenous** header and then choose **YES** if you would like to search for awards that apply to Indigenous people.
