Upcoming 2022 Events

Hi **[[Contact.FirstName]]**,

Welcome back! We hope you had a restful winter break and a great start to the year! We have some exciting news and new resources for you. Our next round of **Early Admission Days for High School Students** is coming up in a few short weeks! During this special application period (February 8-15, 2022), students can apply and receive an early admission decision, they will have a reduced application fee of \$50, and they'll have the opportunity to meet virtually with a U of R representative one-on-one to discuss their next steps as a newly admitted student! Read below for more details!

We also wanted to provide an update on the temporary shift to remote learning and working. While COVID-19, and more specifically, the Omicron variant, remains a concern, the University of Regina is planning a cautious and phased return to in-person operations beginning **February 7**, leading up to a full resumption of in-person courses and operations on **March 1, 2022**. Enrolment Services staff is currently working remotely.

Please visit uregina.ca/term-updates for any U of R updates.
