Hi **[[Contact.FirstName]]**,

We hope you are enjoying the autumn weather and adjusting well as you and your students are getting into the swing of things. We can hardly believe we are one week into October already! We want to make sure that you have the information you need to support your students with their next steps.

Our 2021 virtual Fall Open House is our biggest online event for prospective students. Students can tune in virtually for the full day or just pop in with a couple of questions!

Fall Open House is open to students, parents, supporters, and guidance counsellors. At this year's event, you can explore the U of R programs, faculties, student services, campus community, and the many ways that one can enhance their degree while preparing for their future career!

### This event will include:

- Live-streamed sessions hosted by each U of R Faculty
- Sessions specifically for Parents & Supporters and Pre-Professional Students
- On-demand videos from various departments and student support areas
- Digital materials to access any time!
