Are you a party to any other agreement(s) pertaining to the invention (e.g. material transfer, collaboration, patent agreement with another entity? YES NO				
If yes, please list: Company Name Type of Agreement				

CONFIDENTIAL

7. The Undersigned request(s) that the University of Regina agrees that (please check one):

□ (i)	The University of Regina claims no rights in the Intellectual Property described above as it now exists because the undersigned has/have developed this Intellectual Property without sponsored research funds and without significant use of University of Regina facilities or University of Regina funds; or
□ (ii)	The University of Regina waives its ownership rights in the Intellectual Property described above for the following reasons (please complete):

8. Declaration

It is the understanding of the undersigned that, if this request is granted, the University of Regina will make no claim to this Intellectual Property with the exception of its right to distribute theses. In addition, the undersigned understand that if this Intellectual Property is reduced to practice or otherwise further developed by any of the undersigned making significant use of the University of Regina administered funds or facilities, the University of Regina may assert further rights in accordance with University policies.

9. Signatures

Each Inventor/Creator must sign and date the last page of the waiver. Additionally, the waiver should then be read and signed by appropriate Dean or Department Head.

Inventor(s)/Creator(s)	Inventor(s)/Creator(s)
Signature:	
Print Name (s)	Print Name
Date:	Date:

10. Approval by Dean/Department Head

	I reviewed this Intellectual Property with the creator(s), and am familiar with the circumstances of its development. I have read specifically confirm to the best of my knowledge the veracity of the assertions set forth in Sections.
Print Name:	Date:

Forward completed forms to:	University-Industry Liaison Office Room 428 – Administration-Humanities Building University of Regina Regina, Saskatchewan S4S 0A2
