Question #1:

When renting a car for UR travel can we decline the vendor insurance because the UR has applicable coverage?

Answer #1:

If the rental is in Canada or US you DON'T need to get the extra insurance, the University has a policy to cover any damages. If the rental is outside of Canada or the US then you DO need to get the additional insurance as our policy doesn't cover outside of North America.

For additional information, I recommend reaching out to Barb Pidkowich at Barbara.Pidkowich@uregina.ca or 585-4749.
