### MARK MCMORRIS

Mark McMorris is one of the most decorated athletes in snowboarding history, holding three Olympic medals, twenty-two X Games medals, and four U.S. Open Championship wins. A decade after winning his first X Games, McMorris has emerged as a leader in the sports world. He is a trailblazer on social media and has partnered with many top brands to help create a more inclusive sport for all.

McMorris and his brother Craig launched the McMorris Foundation in 2012 with the goal of inspiring youth in need to find their passion through sport. The McMorris Foundation has raised over \$350,000 and helped to provide over 3,500 Canadian kids with athletic opportunities.

His history of comebacks and resilience has shown that there are no limits for what he is willing to do to achieve his goals.

Growing up in pancake-flat Saskatchewan, McMorris never expected to become one of snowboarding's biggest stars.

McMorris is feeling the same way about receiving a University of Regina honorary degree.

"Honestly, I never thought I would receive anything like this," he says. "Being recognized with an honorary degree from the University of Regina is a huge honour."

Mark McMorris will receive an honorary Doctor of Laws *honoris causa* (LLD) on June 14.

**Thursday, June 15**

### GLORIA MEHLMANN

Access to a good education is a theme that runs through Gloria Mehlmann's life. She says her choice to pursue teaching was one of the best decisions of her professional life. She taught at four schools in the Regina Public Schools system from 1962 to 1983, and was later seconded to serve as the Director of Research and Development with the Saskatchewan Indian Federated College, now First Nations University of Canada.

As the director of Aboriginal Education for the provincial Department of Education from 1994 to 2004, she oversaw the integration of Indigenous perspectives and content into the K-12 curriculum.

She also served as a member and chair of the Regina Public Library board and was the representative to the University of Regina Senate for the Saskatchewan Library Trustees' Association. A gifted writer, Mehlmann penned *Gifted to Learn*, a memoir of her teaching career and *Adam's Tree*, a firsthand account of the impacts of Indian Act policies and residential schooling.

In 2005, Mehlmann received the Saskatchewan Centennial Medal in recognition of her contributions to education, libraries and community development.

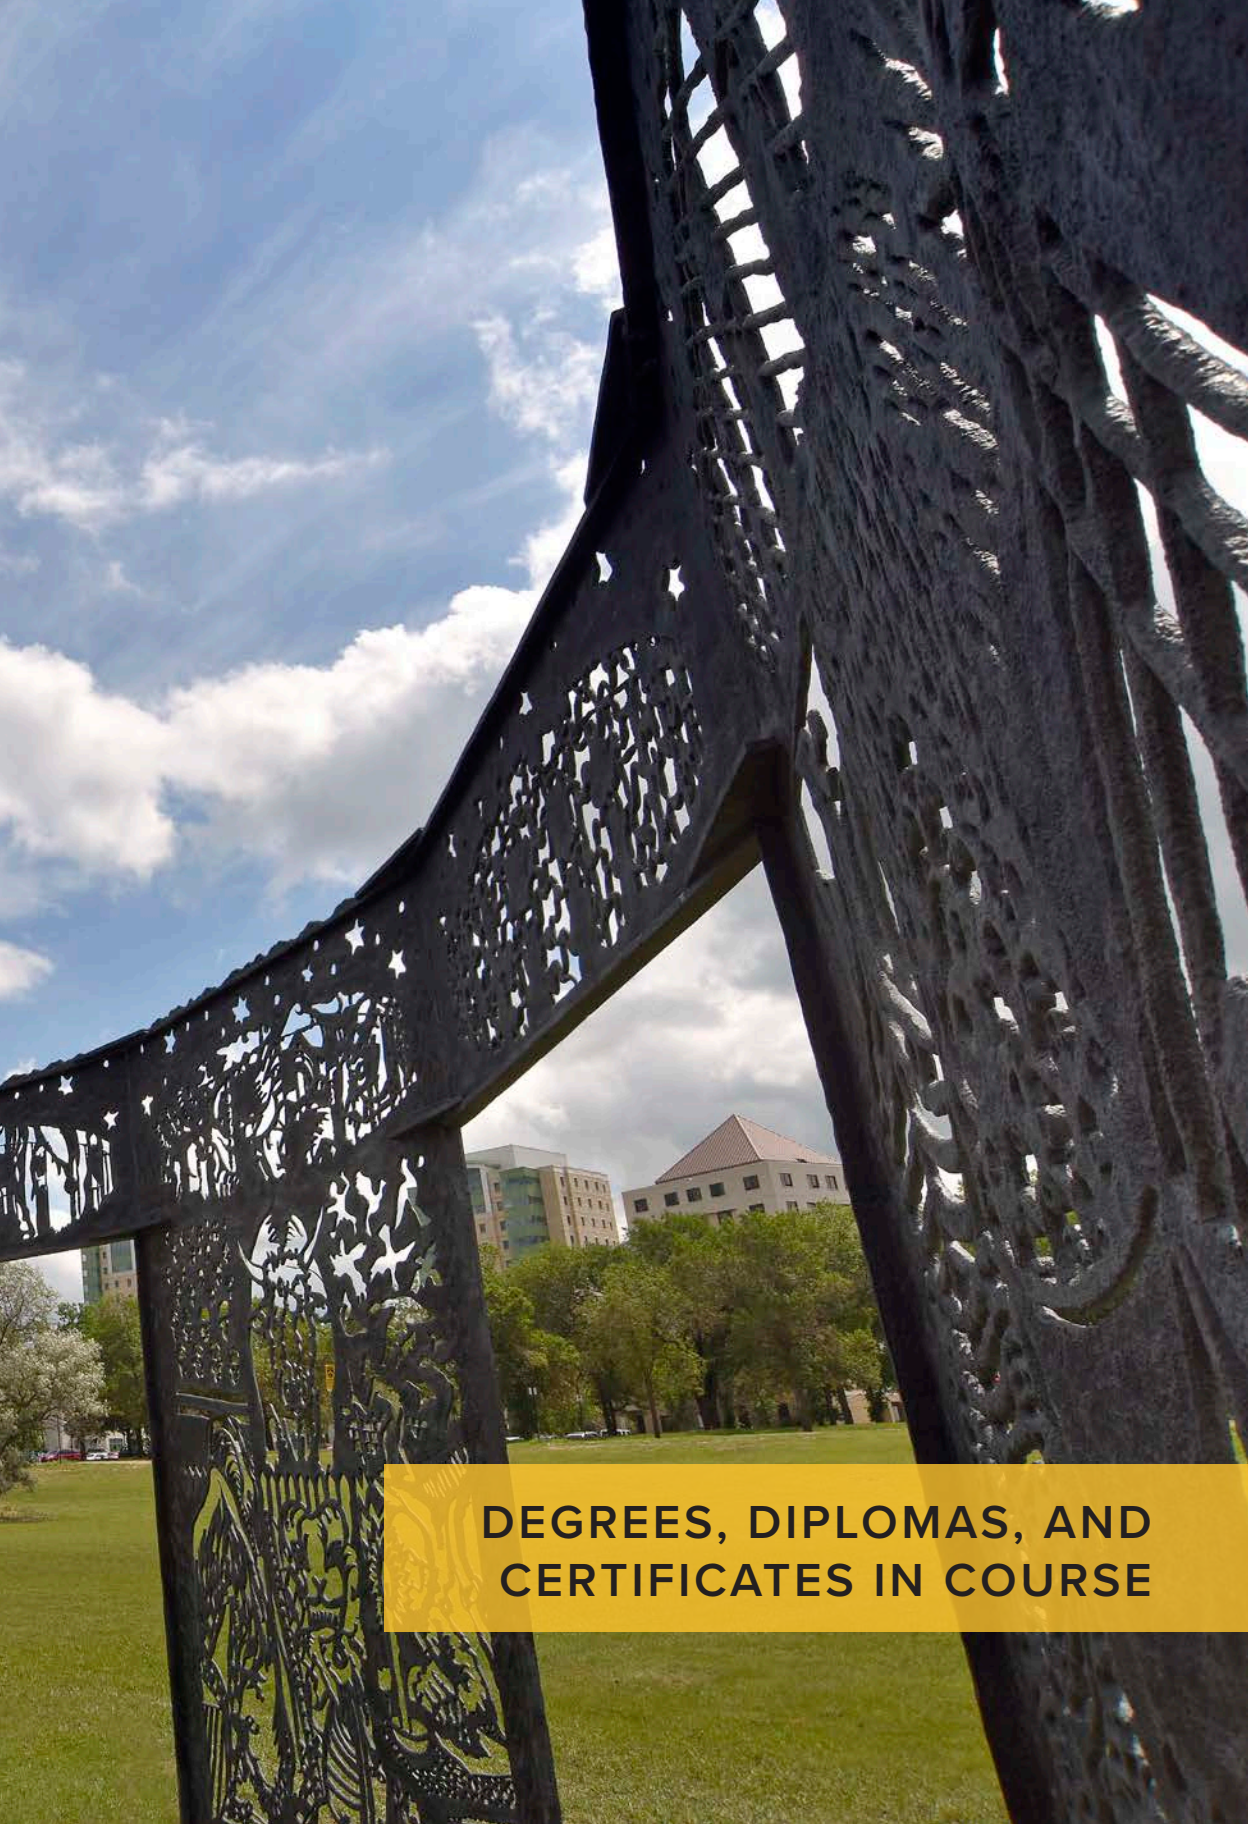

She describes her honorary degree as an incredible honour. "I'm not sure what I will say to the graduates at the ceremony, but it will be about my love of learning, and it will be from my heart."

Gloria Mehlmann will receive an honorary Doctor of Letters *honoris causa* (DLitt) on June 15.

The image shows the large, metallic, three-dimensional letters spelling "University of Regina" in a modern, sans-serif font. The letters are mounted on a low, light-colored stone or concrete wall. The background features a clear blue sky, green trees, and a paved walkway. There are some potted plants with purple and yellow flowers in the foreground.

UNIVERSITY TRADITIONS**

## STUDENT AWARDS AND UNIVERSITY TRADITIONS

### GOVERNOR GENERAL'S ACADEMIC GOLD MEDAL

The Governor General's Academic Gold Medal recognizes the outstanding academic performance of a graduate student. The decision of the Faculty of Graduate Studies and Research Scholarship and Awards Committee is based on the quality of the thesis or exhibition, external examiner's report, quality of the defense, course work, cumulative grade point average (CGPA), publications and presentations deriving directly from the research done for the thesis or exhibition, and on awards received. The pool of applicants includes graduate students who apply for graduation at the Spring Convocation, or who graduated at the previous Fall Convocation.

**Dr. Nicole Lerminiaux**, PhD in Biology

Dr. Lerminiaux's research for her doctoral thesis titled "Genomic and experimental insights into the ecology and evolution of transferable genetic elements" focused on how the mobility of bacterial genes contributes to antimicrobial resistance, microbial community dynamics, and virulence traits; addressing fundamental questions in ecology using bacterial species in lab-controlled ecosystems.

Combining several projects, Dr. Lerminiaux discovered novel predator-prey interactions between bacteria that inverts what ecologists observe from a prey species. As well, she studied how antimicrobial resistance genes move in under-studied farm pond environments.

Dr. Lerminiaux has published numerous papers from her research including one of the most cited in the *Canadian Journal of Microbiology* from 2019-2022.

In the words of Dr. Lerminiaux's supervisor, Dr. Andrew Cameron "Nicole flourishes when presented with unconventional and untested intellectual challenges. I have been and continue to be honoured to follow and learn from her as she pushes the envelope applying her scientific research for societal well-being in a rapidly evolving and globally-connected world."

As a result, Nolan will also be receiving the Certificat en français langue seconde through La Cité universitaire francophone. In 2021, Nolan was inducted into the honour society of Jesuit colleges and universities, Alpha Sigma Nu. Students inducted into Alpha Sigma Nu must place in the top 15% of their class and distinguish themselves in scholarship, loyalty, and service. This is one of the highest honours awarded to a student on a Jesuit campus. Nolan's long list of earned scholarships and inclusion on the Faculty of Arts Dean's Honour List in every term, with no term average below 93%, is a testament to his hard work and dedication to academic excellence.

## ACADEMIC REGALIA

At live Convocation ceremonies, the academic regalia worn by the graduates and the members of the platform procession may consist of a gown, a hood or stole (worn over the shoulders), and a hat or mortarboard. All universities have distinctive academic dress for each degree conferred and, at times, for the disciplines in which the degree is awarded.

With the exception of students graduating with a PhD and federated college students, graduates wear black gowns. PhD graduates' gowns are scarlet with royal blue around the collar, down the front and around the sleeves.

Students graduating from the University of Regina who have been registered through a federated college wear the following: red gowns for Campion College students, sky blue gowns for First Nations University of Canada students, and royal blue gowns for Luther College students. Students are welcome to wear their Indigenous ceremonial dress, other cultural ceremonial dress, or their military or law enforcement dress uniform with, or instead of, the gown at the Convocation ceremonies.

The following is a list of the Undergraduate and Graduate degree hoods. The first and second squares represent the colour of the outside and inside trim, or lining, respectively. The third square represents the colour of the decorative cord.

## CEREMONIAL FURNITURE

The three ceremonial chairs were a gift to the University of Regina from Dr. Terence R. McKague, Chancellor Emeritus, who served as Chancellor from 1989-1995. The chairs were acquired from Carmichael United Church, Dr. McKague's boyhood place of worship. This ceremonial furniture is incorporated into all official ceremonial functions.

## ORGANIZATIONAL STRUCTURE OF THE UNIVERSITY

The University of Regina is situated on Treaty 4 lands with a presence in Treaty 6 territory. These are the territories of the nêhiyawak (Cree), Anihšīnapek (Saulteaux), and Dakota, Lakota, and Nakoda, and the homeland of the Métis/Michif Nation. Today, these lands continue to be the shared territory of many diverse peoples from near and far.

The University of Regina operates under the terms of *The University of Regina Act*. Convocation comprises the Chancellor, the Senate, all graduates of the University of Regina, all graduates of the University of Saskatchewan at Regina Campus, and such other classes of persons as the Senate may from time to time determine. Convocation meets twice annually, in June and October, unless there are extraordinary circumstances.

The Chancellor is elected by the members of Senate, holds office for three years, presides over Convocation, confers degrees and is *ex officio* Chair of the Senate and a member of the Board of Governors.

Senate is the University's "window on the world." It is concerned with the academic welfare of the institution and has a variety of duties and powers. Most of the broader issues of academic policy within the University are reserved for Senate's approval. In another role, it acts as an ultimate court in academic affairs. The membership of Senate includes

persons *ex officio*, or by virtue of the University offices they hold. Convocation elects another fourteen members of Convocation to the Senate. Students registered in the University elect six students of the University to Senate. In addition, any professional society, group or organization in the province that Senate believes contributes in a significant way to the social, economic and cultural welfare of the province may be represented on Senate.

The Board of Governors consists of eleven members and is responsible for overseeing the administrative and business affairs of the University. It ultimately has authority in matters related to the raising and spending of University funds, and the acquisition and management of University property.

Council's membership includes administrative officers, all Deans and directors of academic programs, all full-time members of the teaching staff, and a number of student representatives. All matters of substance related to the academic affairs of the University, as well as matters of academic discipline, must be considered and approved by the Council.

The Executive of the University of Regina Council (Executive of Council) has been empowered by Council to act on its behalf. Executive of Council membership is devised as a proportional basis of the academic composition of the University.

Disciplines that are related to one another in the broader areas of teaching are, for purposes of administrative and academic planning, brought together into Faculties, of which there are currently ten. Each Faculty is headed by a Dean; formal membership includes the Dean and the teaching members of the various associated disciplines. The Deans are recognized by *The University of Regina Act* as being the heads of their respective Faculties and are directly responsible to the President through the Provost and Vice-President (Academic). Subject to the statutes of the Senate and the University of Regina Council, each Faculty has charge of all matters of scholarship in its disciplines and programs.
