## General Information

Luther College is a federated college at the University of Regina and offers programs in the social sciences and humanities, sciences, and fine arts, with excellent pre-professional program options. With an enrolment of approximately 650 students, Luther College is committed to retaining a personal atmosphere, individual attention, and sense of community.

Luther College provides the highest quality of teaching and fosters outstanding research, offering courses in co-operation with various departments of the University. Students benefit from Luther's student-centered approach to teaching and its small classes. The optional chaplaincy program nurtures intellectual, emotional, and spiritual growth for all students, including those from a religious background other than Christianity.

Whether pursuing pre-professional studies, a certificate, diploma, or degree program, students receive one-on-one academic advising throughout their time at Luther. The College is known for making the transition from high school to university easy. Designed to give students a successful start to university, optional groups of courses, called Bundles, can be chosen when registering for first semester. Luther students are U of R students, pay the same tuition and fees, and receive a U of R credential.
