An individual interested in seeking credit for prior learning is strongly encouraged to contact the RPL Centre at:

www.uregina.ca/cce/student-services/admitted/plar.html.

The PLAR Mentor will assist students with the process to facilitate a focused application. The approval of credit is at the discretion of the Associate Dean (Undergraduate) Faculty of Media, Art, and Performance.

Students may be granted a maximum of thirty (30) credit hours for recognized prior learning towards their degree in the Faculty of Media, Art, and Performance.

Academic Advising and Registration

Advising

Academic advising is designed to assist students to understand their academic choices and to build a degree program that is fulfilling, tailored to their specific interests/goals, and built upon a foundation of academic integrity. Academic advising is important and includes an overview of academic requirements, student support services and highlights academic and other opportunities available in the Faculty, the University of Regina and elsewhere.

The student Program Centre advises all incoming (direct admit and transfer) students and MAP students who have not yet chosen a major. Students who have chosen a major can also seek academic advising through their home department. Department information is available through the MAP Administrative Hub in Riddell Centre 271 or email MAP.adminhub@uregina.ca or by telephone (306) 585-5572.

Students who enroll in the Faculty through Campion College, Luther College, or First Nations University of Canada receive academic advising from their College and should consult their home College for more information.

Students who enroll in the Faculty (either through direct admit or through transfer) are encouraged to arrange for academic advising upon receiving their letter of admission or transfer by calling the MAP Student Program Centre at 306-585-5570. The Faculty recommends that students consult an advisor at least once a year.

Registration

Students should refer to the [UR Self-Service](#) Guide to the Class or the Registration and Withdrawal section for details. Students are responsible for ensuring that program requirements and academic regulations are met. Online registration may not prevent students

from registering in courses that do not apply to their degree program or for which they have not met the prerequisite(s).

Students registered through the University of Regina may choose to register at the Student Program Centre, RC 267. Students registered through Campion College, Luther College, or First Nations University of Canada may register through their federated college.

The Student Program Centre will accept changes to a student's registration via mail, fax, or e-mail. In order to be processed in a timely manner such requests must include the student's full name, student identification number, major, and which courses are to be added or dropped. Mailed or faxed requests must be signed. In exceptional circumstances, telephone requests for changes to registrations will be accepted.

Course Load

As outlined in the Class Registration and Withdrawal section normal course load for the fall and winter term is 15 credit hours and the normal course load for the spring/summer term is 6 credit hours per session for a maximum of 12 credit hours for the term.

Students with outstanding deferrals should refer the [Academic Regulations](#) section.

Prerequisites

Students are responsible for ensuring that they have the necessary prerequisite(s) before taking a course. Students who fail a course that is a prerequisite for the one in which they are already registered must make appropriate changes to their registration.

Registration Permit and Override Permission

When required, students must obtain permission before attempting to register in [UR Self-Service](#). Permission must be obtained in the following instances (and is not automatically granted, nor does it guarantee space in a class):

- required prerequisite has not been completed;
- permission of instructor or department head or Associate Dean (Undergraduate) is required; the faculty, college, program, or major restriction the is not met; or
- scheduling conflicts.

Refer the Class Registration and Withdrawal section.

Students requiring such permission must contact the instructor and/or the Department Head or submit a Registration Permit/Override Permission form to the MAP Student Program Centre or to their home college or Faculty.

This form is available in the MAP Student Program Centre and may also be found at

www.uregina.ca/student/registrar/resources-for-students/printable-forms.html.

Registration Overloads

Students may not register for more than 15 credit hours in Fall or Winter term, or 12 credit hours in Spring/Summer session, unless they have a UGPA of at least 70% and have successfully completed at least 30 credit hours at the University and have received a letter of permission from both their department head/program coordinator

and the Associate Dean (Undergraduate). Registration for the overload must be completed in the MAP Student Program Centre or at the federated college the student is registered with. Music Ensembles are not included in this count.

Auditing

Students may obtain permission to audit a course providing they have met all prerequisites and have obtained the instructor's permission and have followed the process as outlined in the [Class Registration and Withdrawal](#) section.

Instructors are not obligated to grant permission for a student to audit a class but should be as accommodating as classroom pedagogy will allow.

The cost of auditing a class is 50% of the normal tuition for the course. Full material fees are not waived. Students interested in auditing a class should consult the MAP Student Program Centre.

Evaluation of Academic Performance

The academic performance of all students registered in the Faculty of Media, Art, and Performance is reviewed at the end of each term (spring and summer considered as one term).

Dean's Honours List

The Dean's Honours List is compiled each term and includes the names of students with a term grade point average (TGPA) of at least 85.00%.

In the fall and winter terms students must complete a minimum of 12 credit hours of numerically-graded courses. In the spring and summer term students must complete a minimum of 9 credit hours.

Probation and Discontinuance

University Regulations

Refer to the [Academic Regulations](#) section for all regulations regarding Academic Performance.

Faculty Regulations

Students in the Faculty of Media, Art, and Performance are expected to maintain a PGPA of 65.00%. After a student has completed 15 credit hours, the Faculty will assess their academic performance. Those whose PGPA falls below 65.00% will be placed on faculty probation (faculty probation does not appear on official transcripts). Students who are placed on faculty probation will:

1. Have an academic hold place on their account restricting them from future registration.
2. Must schedule and attend a mandatory advising session with the student program advisor.

For the next 24 credit hours undertaken, the student will be on Faculty-level Probation. During this time, they may take any courses, but it may be recommended that they re-take specific courses. If, the student has successfully raised their PGPA by the end of the probationary period to above 65.00%, they will be removed from faculty probation. If a student has not raised their PGPA above 65.00%

after being on faculty probation for 24 credit hours, they will be RTD from the Faculty of Media, Art, and Performance.

Faculty probation refers only to a student's PGPA. Students must also satisfy the university regulations around [Academic probation](#) and to be aware of the graduating requirements of their particular program.

A second failure in a course required for the student's program will result in a requirement to discontinue for two terms from the program. Re-admission to the program will be by petition. Failure in the third attempt will result in a requirement to discontinue indefinitely from the program. Please refer to the list of specific courses required for each program under the appropriate Department.

Students who fail English 110 twice will be required to discontinue from the Faculty of Media, Art, and Performance for two terms. Re-admission to the Faculty will be by petition. Failure in the third attempt will result in a requirement to discontinue indefinitely from the Faculty.

On the recommendation of the Faculty Committee on Admissions, Studies, and Procedures, students may be required to discontinue indefinitely from the Faculty of Media, Art, and Performance for unsatisfactory professional development or prolonged unsatisfactory academic development. Students have the right to appeal this decision (see the faculty's [Appeal Procedures](#) section).

Appeal Procedures

Students may appeal the application of academic probation or a requirement to discontinue by writing to the Faculty of Media, Art, and Performance Appeals Committee. The appeal must be in writing and addressed to the:

Associate Dean (Undergraduate)/Chair
Faculty of Media, Art, and Performance Appeals Committee
RC 267
University of Regina
Regina, SK S4S 0A2

Graduation Requirements and Time Limits

A student's program grade point average (PGPA) for graduation purposes will be calculated only on those courses taken at the University of Regina that form part of the degree (i.e., failed courses, extra courses and transfer credits are not included). Courses that are required to be taken at another institution as part of a University of Regina program will be treated as University of Regina courses.

Department of Music

The Department of Music offers programs leading to the degrees of BA in Music (4-year), BA (Special 3-year), BA Hons in Music, BMus (comprehensive, composition, music history, or performance), and BMusEd/BMus (in conjunction with the Faculty of Education). Requirements for each program are outlined under the specific area of study.

Ensemble Requirements

Core ensembles are Concert Choir, Concert Band, Chamber Singers, Wind Ensemble, Jazz Ensemble and University Orchestra. Credit for participation in core ensembles towards a degree program in music is limited to a maximum of 6 credit hours. Total program credit hours from all MUEN courses may not exceed 12.0. In the case of the BMusEd/BMus program, the limit is 7 credit hours. Every BMus and BMusEd/BMus degree student, with the exception of BMusEd/BMus students during internship term, will satisfactorily participate in two core ensembles every term. One of the core ensembles must be selected as follows: vocal, guitar and piano majors will be in Concert Choir or Chamber Singers; string majors will be in University Orchestra; wind and percussion majors will be in Concert Band or Wind Ensemble. The second core ensemble will also be chosen from the above list.

Every BA in Music student must participate in six ensembles (6.0 credit hours). Students doing a Minor in Media, Art, and Performance (Music) must participate in three ensembles (0.0 credit hours). MUEN 131 Concert Choir is recommended.

More than three ensembles of any type per term may be taken only with permission of the department head.

A grade of Pass or Fail will be given unless an ensemble is taken for credit, in which case a numerical grade will be assigned.

Bachelor of Music (BMus)

In addition to the normal entrance requirements, an interview and an audition in the applicant's major applied area are required, as well as a theory entrance test. Dates of the test are available on request from the head of the Music Department. Those desiring consideration for music entrance scholarships should complete the audition and entrance test by March 15.

All first-year students are classified as majoring in Comprehensive. The other majors (Composition, History or Performance) begin in year 2, term 1. First-year students should consult a music department instructor in the area (the composition professor, their music history teacher, or their applied music teacher) concerning the level of achievement required to qualify for a major other than Comprehensive in years two through four. Potential performance majors must indicate to the department head, as well as to their applied music instructor, during year 1, term 2, that they wish their next jury also to serve as an audition for the major in Performance.

Study in one performance medium (the applied major) is required for a varying number of terms, which may include one or more required recitals, depending upon the program major. No more than 9 credit hours of directed study courses may count toward graduation requirements.

Except with the special permission of the head of the Music Department, all degree requirements must be completed within seven calendar years from the date that the program commenced.

Non-keyboard majors may be required to enrol in class piano. Failure to meet the proficiency level required by the department will mean additional study.

To qualify for the BMus degree students must complete at least 120 credit hours (75 credit hours of core courses and 45 credit hours in one of the areas of comprehensive, composition, music history or performance).

Bachelor of Music Education (BMusEd)/Bachelor of Music (BMus) Conjoint Program Resulting in Two Degrees

[Refer also to this program in the Faculty of Education section.](#)

This five-year program is offered jointly by the Faculty of Media, Art, and Performance and the Faculty of Education under the supervision of a joint coordinating committee of the two faculties. The program prepares students to teach secondary choral and instrumental music. The program consists of minimum of 150 credit hours and depending on the teaching minor chosen, students may be required to complete additional credit hours in order to qualify for teacher certification. Once students enter the program, they must complete the entire integrated program to graduate with either degree. Should a student decide to pursue only one of the degrees identified, they must officially apply to transfer out of the joint program. Upon the completion, students will receive a Bachelor of Music Education degree and a Bachelor of Music degree.

All students in the program register in the Faculty of Media, Art, and Performance for term 1 through 6 and obtain academic advising from the Department of Music in the Faculty of Media, Art, and Performance. In term 7 through 10, students register through the Faculty of Education and must obtain academic advising from the Student Program Center, Faculty of Education and the Chair of Music Education, Faculty of Education.

Students must apply to both the Faculty of Education and the Faculty of Media, Art, and Performance for graduation.

Admission Criteria and Application Process

Students applying to the joint BMusEd/BMus Program must meet the admission criteria for both the Faculty of Education (BMusEd) and the Faculty of Media, Art, and Performance (BMus), including successful completion of an audition and an examination in music theory to be given by the Music Department. Application deadline dates and process can be found in Admissions section. Dates of auditions are available on request from the Music Department.

In addition, all applications to the Joint Program require a Teacher Education Application and Profile. Contact the Student Program Center, Faculty of Education for application procedures.

Program requirements

Students pursue applied music study on one instrument or voice for six terms, presenting a half-hour public recital during the sixth term. This recital requirement may be fulfilled by a one half-hour jury recital before music faculty members with the permission of the Music Department Head. The recital requirement must be completed before students enter term 7 of the program.

Successful participation in two core ensembles is required during each of the first six terms.

A PGPA of 70.00% is required in their combined music and music education courses in order to proceed to pre-internship in term 8.

One term is devoted to internship (EFLD 400) with 15 credits to be counted toward graduation.

Term 10 has been strategically constructed to allow for a term of international study (optional).

Qualifying for the Professional A Certificate granted by the provincial Ministry of Education will require careful management of all of the options and electives available in the program.

Academic Advising

Academic advising will be done jointly with representatives from both faculties.

Conjoint Program Academic Performance and Progress

Student's performance will be governed by both the university academic standards (see the [Academic Regulations section](#)) and program standards as outlined in the Faculty of Education section and the Faculty of Media, Art, and Performance section. Student progress is monitored regularly by the Joint Coordinating Committee.

Appeals of Academic Standing

Students are subject to the academic performance regulations of both faculties and student progress is monitored regularly by the Joint Coordinating Committee. For details on academic performance see the [Academic Regulations](#) section and the relevant Faculty Regulations sections.

The PGPA required for graduation is 65%.

If there are extenuating circumstances related to academic performance, students may appeal the application of academic probation or a requirement to discontinue by writing to:

Joint BMusEd/BMus Program Review Committee
c/o Faculty of Education
Office of Student Services (ED 355)

Applied Music Lessons (MUBC, MUBN, etc.)

As a sample number for applied music lessons, MUPI 141 designates lessons for a piano student in the first term, first year of a BMus performance degree.

The performing medium is indicated by the following two-letter symbols:

BC bass clarinet	HD harpsichord	TB trombone
BN bassoon	HN horn	TP trumpet
CL clarinet	OB oboe	TU tuba
DB bass	OR organ	VA viola
EU euphonium	PC percussion	VC violoncello
FL flute	PI piano	VN violin
GR guitar	SX saxophone	VO voice

The first digit refers to the year of study.

The second digit indicates the degree program towards which the credit is taken, according to the following scheme:

- 4 = BMus applied major (performance concentration)
- 3 = BMusEd/BMus applied major; BMus applied major (comprehensive, music history, music theory, or composition concentration)
- 2 = BEd, BMus minor or other.

The third digit indicates the term of study at a particular level.

Participation in an ensemble may be required of students enrolled in an applied music lesson.

Prerequisite: Permission of Music Department.

Students should note that:

1. Students in the third through eighth terms in the BMus degree program concentration in performance receive three (3) hours of credit for the applied major lesson. All others receive two (2) hours of credit.
2. Students should not register for the second, third, or fourth year of study without having received credit for the previous year or advanced standing from the Music Department.
3. Unless there are extenuating circumstances, no student may enroll for more than the regular sequence of eight terms of applied music lessons.
4. For students in the BMus and BMusEd/BMus programs applied lessons in a secondary area are dependent upon the availability of regular, full-time faculty, and the permission of the department head.
5. Students in the BMus and BMusEd/BMus degree programs will not receive credit towards their degree program for applied lessons in the MUXX 121 series in the primary applied area.

If the review goes well, the student may be given permission to register in the next level studio course.

Visual Arts majors in the BA program who wish to apply into the BFA program must do so before taking a 400-level course in the major.
