## General Information

Luther College is a federated college at the University of Regina and offers programs in the social sciences and humanities, sciences, and fine arts, with excellent pre-professional program options. With an enrolment of approximately 60 students, Luther College is committed to retaining a personal atmosphere, individual attention, and sense of community. Luther College is a place for those who share our vision of making transformative change for a more grace-filled, just, and joyful world.

Luther College provides the highest quality of teaching and fosters outstanding research, offering courses in co-operation with various departments of the University. Students benefit from Luther's student-centered approach to teaching and its small classes.

Whether pursuing pre-professional studies, a certificate, diploma, or degree program, students receive one-one-one academic advising throughout their time at Luther. The College is known for making the transition from high school to university easy. Designed to give students a successful start to university, optional groups of courses, called Bundles, can be chosen when registering for first semester. Luther students are U of R students, pay the same tuition and fees, and receive a U of R credential.

Luther College is rooted in the Lutheran intellectual tradition and open to insights from other religious, spiritual, and secular traditions. A Chaplain is available to all students for connection and conversation. An Elder-in-Residence shares knowledge and traditions with all students. Luther College is a member of the Positive Space Network. Students from all faiths and no faith are welcome!

## The Student Village at Luther College

The Student Village housing residence is located on the U of R campus, and is open to any post-secondary student, not just those from Luther College. The all-inclusive atmosphere lets students adjust to university life slowly, so they can focus on studying, making friends, and their overall wellness. All rooms have been completely renovated and come with a meal plan, free laundry, free Wi-Fi, and a great sense of community.

All residence rooms are single occupancy, and furnished with a bed, desk, large window, wardrobe, bookshelves, drawers, and temperature controls. The private showers and washrooms are cleaned daily by staff. Students also love hanging out in The Cellar, a large lounge area featuring TVs, game areas, a pool table, and a foosball table!

Students living at Luther can choose from a variety of meal plan options, tailored to their needs. Declining balance meal cards are also available, and students can also take meals to-go if that works better for their schedule.

With a library down the hall, study rooms on each floor, and the convenience of campus, students can focus their studies and making friends, without worrying about all the extra work that comes with running a home.
