

# Alberta, Nunavut, & NWT Admission at a Glance

Early Conditional & Final Admission Process  
Current Domestic High School Students

## APPLICATION PROCESS

**Step One:** Apply for admission at [www.uregina.ca/admissions/apply.html](http://www.uregina.ca/admissions/apply.html) (or for Nursing at [www.sasknursingdegree.ca](http://www.sasknursingdegree.ca)) and pay the **\$100 application fee**.

**Step Two:** Submit a transcript to Enrolment Services by **March 15, 2024** (or for Nursing to Sask Polytechnic by **March 15, 2024**) to meet the Early Application Deadline.

**Step Three:** Check to ensure that you are registered in the courses you need for Final Admission (see reverse), and complete these courses by **June 30, 2024**.

**Step Four:** Submit your Final Official Transcript from your province's official online portal, after graduation, by **August 1, 2024**.

## EARLY CONDITIONAL ADMISSION REQUIREMENTS BY FACULTY

**70% AVERAGE REQUIRED FOR: Business Administration, Engineering & Applied Science, Kinesiology & Health Studies, Nursing\*, and Science**

|                                  |                                                | World Religions*                            |                                         |

### Notes:

A maximum of 2 different Math courses can be used (ex: Math 20-1 and March 30-1).  
Requirements 3, 4, and 5 must be met by different subjects (ex: French 20 and French 30 cannot both be used).  
\* Two 3-credit courses (marked +) may be used in place of one 5-credit course.  
\*\* Social Studies 30-2 is acceptable as a further elective if Social Studies 30-1 is not presented.

\* Nursing does not allow any Category C courses to be used in the average calculation.  
\*\* Math courses marked \*\* cannot be used as the Math course requirement (2.) for Business, Engineering, Kinesiology, Nursing, or Science, but can be used as an additional course (5).  
\*\*\* Any grade 11- or 12-level language course may also be used as a Category B course.

# FINAL ADMISSION REQUIREMENTS BY FACULTY

Students granted Early Conditional Admission must meet these requirements by **August 1, 2024**.

| FACULTY AVERAGE REQUIRED                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | COURSES USED TO CALCULATE FINAL AVERAGE                                                                                                                                                              | GRADE 12 SUBJECTS BY CATEGORY                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |  |                                                                             |                                                                    |
