

# Bachelor of Business Administration (BBA)

The BBA degree is a four-year program with direct admission. Gain general business knowledge in the first two years and by the end of year two, select one of five majors for specialization.

## Admission Requirements

1. Students require a high school admission average of 70% or higher.
2. Admission average is based on a combination of final marks in the following Grade 11 and 12 classes:

- English A30
- English B30
- One of Foundations of Math 30 OR Pre-Calc 30\*
- One approved 30-level social science, language or fine arts course
- One additional approved 30-level course

*\* It is strongly recommended students have both Foundations of Mathematics 30 and Pre-Calculus 30.*

## Transfer Credit

If you have completed studies at another recognized post-secondary institution, you may be considered for transfer credit. Once admitted, academic advisors assist with determining your eligibility.

## Other programs

### Diploma of Business Administration (DipBA)

Start small and walk before you run with the DipBA. The DipBA is a two-year program that provides an overview of all areas of business administration. Courses completed in the DipBA can be used towards the course requirements for the four-year BBA if you decide to transition into a degree.

### Bachelor of Business Admin & Bachelor of Sports Recreation Studies (BBA/BSRS-SRMI Joint Program)

The BBA/BSRS-SRMI Joint Program is a five-year, direct admission program offered jointly by the Hill School of Business and the Faculty of Kinesiology and Health Sciences at the University of Regina.

### Certificate in Ideation, Creativity & Entrepreneurship (ICE)

The ICE Certificate is a five-course micro-credential that exposes you to systematic approaches to create ideas, recognize opportunities, and disrupt the market.

### Certificate in International Business

The Certificate in International Business is a five course micro-credential that examines core business functions such as finance, marketing, human resource management, and operations in the international context. Courses cover the political, economic, socio-cultural, technological and environmental forces that shape the global business environment.

### Business Law Option

The Business Law Program is typically a six-year combined program and it allows you to obtain a Bachelor of Business Administration (BBA) and Juris Doctor (JD) or Bachelor of Laws (LLB) degree in less time than if the two programs were taken separately.
