

Planned Undergraduate Course Offerings for Spring/Summer 2023 to Winter 2024: It is our plan to offer the courses listed below in the terms indicated (in many cases, multiple sections will be offered). Occasionally a class that we had planned to offer may have to be cancelled if enrollment is insufficient for the class to be viable or other reasons. It should also be noted that there may be situations where we find that we can offer a course that was not initially planned for. *In this February 22, 2023 update we have had to change our plans for BUS 291 and BUS 340 which we will no longer be able to offer in Fall 2023. (Updated February 22, 2023)*
