Tecnológico de Monterrey (Mexico City)

The Mexico City campus is the 2nd largest campus of Tecnológico de Monterrey with approximately 8000 students enrolled in high school, undergraduate and graduate programs. They host approximately 200 undergraduate international students each semester, and over 50 each summer.

The campus is built on more than 60 acres, with the necessary facilities required to fulfill student needs. It is located in the southern part of Mexico City, a true contemporary megalopolis filled with contrasts, characterized by a variety of museums, theatres, cinemas, festivals and entertainment, hard to find anywhere else.

Tecnológico de Monterrey aims to provide students with a complete experience. They encourage students to live and learn by core values such as innovation, global vision, team work, human sense and integrity. Their global vision helps students boost their skills, their vision and their ability to respond to globalization, competitiveness and life’s modern needs.

**COSTS:** The program fees for this Study Trip have not been finalized yet. Tentatively, we expect the fees to be between $1,700-1,800. The program fees cover your tuition for two courses and accommodations from May 30 (check-in) to July 7 (check-out).

**NOT included:** Airfare, airport transfers, health insurance, school supplies, meals, local transportation, incidentals and other personal expenses, etc. are some of the additional costs that students must be prepared to cover.

Students selected to participate in a Study Abroad program are eligible to apply for the $1,000 Travel Experience Fund Scholarship. If you have not already received this funding twice in the past, you will receive funding for this program – providing you submit the appropriate documentation by the specified deadline.
IÉSEG School of Management (Paris)

IÉSEG’s modern campus in Paris is located in the iconic Grande Arche building, in the heart of the business district of La Défense. They have created a multinational and multicultural setting which contributes greatly to the quality of education and research. IÉSEG is one of the most prestigious higher education institutions in France. It has been awarded 3 international accreditations: EQUIS, AACSB and AMBA.

The Summer Academy at IÉSEG may be the best way to spend your summer: discover Paris, expand your academic horizons, build an international network of friends and professors, experience the French way of life and get an insight into global business from top faculty, in one of the best business schools in France.

Paris is a cosmopolitan and multicultural city. It is the economic and business capital of France. As France’s capital, Paris is also a major source of culture, history, fashion, food, and more. The city’s rich cultural and historical base, coupled with its tendency to transform and develop, makes Paris an innovative and dynamic city. Paris is world-famous for its monuments as well as its artistic and cultural life. Paris welcomes over 30 million visitors a year.
