3. Office Hours

I have regular office hours Fridays from 8:30 am – 11:30 am in the Administrative and Humanities Building Room 510.1. Please contact me in advance to schedule a meeting during office hours to ensure that I am available to meet.

I can be contacted by email. I also regularly check the UR Courses class email. I cannot answer questions by email in the 24 hours prior to the assignment due date and/or exam. For greater certainty:

1) Assignment questions will not be answered after 11:59 pm on March 17, 2020; and  
2) Final exam questions will not be answered after 9:00 am on April 19, 2020.

Note: I am out of the country from February 20 – March 9. I will not be available by email during this time. It is strongly recommended that all questions relating to the midterm exam be asked during the February 12th class.

5. Technology in the Classroom

Technology can help you learn, if you are using it appropriately. Failure to use technology appropriately can negatively impact your learning experience and the experience of your peers. If you cannot use technology appropriately, you will be asked to put it away or leave the classroom.

Please put cellphones on “silent” during class. There are exceptional circumstances that may require a student or the instructor to be available by cellphone. If we may be required to answer a call during class, we will advise each other in advance.

6. General Class Format

You are expected to attend classes. Reading the materials is not a substitute for attending class on a regular basis.

You are expected to ask questions during class time. There are three reasons that you should ask questions during class:

1) If you have a question, it is likely that others have the same question;
2) The course material builds on the previously covered concepts. If you have a question and do not ask it, it is likely that you will become more confused as we advance through the material; and
3) You are an upper-year student studying business. You will soon enter into the workforce. You will be required to speak in front of people during your career. This is a safe, no-risk opportunity for you to practice speaking in a group setting.

Slides will be available on UR Courses. Instructor notes will not be made available. If class attendance becomes too low, slides will no longer be made available. In the event this needs to happen, notice will be given to students in advance of the change.
7. Evaluation Policy

Students must comply with the University of Regina Undergraduate Calendar. It is your responsibility to be familiar with the University of Regina 2019-2020 Undergraduate Calendar, as amended from time to time. It can be found here.

All acts of Academic Misconduct, as defined by the University of Regina Undergraduate Calendar, will be reported to the Dean or designate of the Paul J. Hill School of Business for investigation and, if necessary, discipline. This includes acts of cheating and plagiarism.

8. Respectful Classroom

The class shall adhere to the Respectful University Policy. Information is available from Respectful University Services here.

9. Reading

The text will be used for supplemental reading only. Students are only responsible for material covered in class.

An electronic version of the textbook is available for order directly from the publisher. If you wish to purchase access to an electronic version of the textbook, you may do so here. You may purchase access to the text or purchase a hard copy of the textbook from the Bookstore.

The Canadian Legal Information Institute (“CanLII”) publishes legal decisions and commentary. The publications are available to the public free of charge. These can be found here.
