

2023 ACCOUNTING FELLOWSHIP PROGRAM

The Accounting Fellowship Program recognizes the academic accomplishments of accounting students in the Paul J. Hill School of Business. The Program began in 1994 and has 483 members to date.

New Accounting Fellowship members are introduced to the accounting community at the Accounting Fellowship Awards Banquet held each year in October. This banquet is free of charge thanks to the generous sponsorship of CPA Saskatchewan.

Potential employers, from accounting firms and the private and public sector, along with Accounting Fellowship members (from 1994 to present) and accounting faculty are invited to the banquet. This year's banquet will take place on October 16 at the Conexus Arts Centre.

Membership in the Accounting Fellowship Program is recognized by the accounting community as a significant accomplishment achieved by only the best Paul J. Hill School of Business accounting students. It looks great on a CV!

We are inviting membership applications for 2023. Admission requires:

- a grade point average of 80 percent or higher
- completion of BUS 385
