LEVENE EXECUTIVE MASTER OF BUSINESS ADMINISTRATION (EMBA)

The EMBA is designed for seasoned career professionals with a passion for excellence, as well as an appreciation for challenging learning environments and opportunities to better themselves and their world.

In this program you will develop lasting relationships in a collaborative atmosphere with other high achievers. EMBA students have an aptitude for seeing the big picture, thinking critically, and balancing multiple responsibilities. You will learn as much from your cohorts as the faculty. With that said, the Levene team is dedicated to choreographing an exceptional learning experience, with courses that will prepare you to reach your potential. Cutting-edge theory meets real-life experience as lectures and class discussions are combined with case studies.

Global economies are volatile, business is increasingly internationally competitive, and industries are being over-turned with game-changing technologies. Our EMBA is designed to equip you to make sense of these moving parts, to identify opportunity, create exceptional value, and execute brilliant strategy.

// EMBA ADVANTAGES

- Accelerated MBA program, delivered in 18 months
SEE THE WORLD BEFORE YOU CHANGE IT.

The World is Your Classroom. Learning to lead in a global context is crucial for senior managers today. As a student in the EMBA program, you will participate in our highly valued international study tour which will expand your horizons - giving you an extended world view. You will further your awareness of cultural nuances in business management and leadership. Recent Levene trips have included Finland, Estonia, and China. On your tour you will meet local leaders, tour businesses in multiple economic sectors, and participate in a consulting project with other MBA students from the Levene GSB and international host schools.
EMBA PROGRAM

The EMBA is designed for mid to senior level business managers, leaders and owners with over ten years of professional experience, with at least five of those years being in management.

**EMBA Program requirements are 36 credit hours consisting of**

- four days of weekend workshops to kick-off the program
- two one-week courses
- one International Study Course
- 12 course modules taken over three semesters
- research report - also known as the Capstone Project

Featured case studies present a variety of challenges, from isolated problems facing a single manager to systemic issues confronting an entire organization. Guest speakers augment the direction provided by expert faculty.

During fall and winter semesters, four classes are scheduled on one day per week, alternating between Fridays and Saturdays. This meets the needs of students from outside Regina, who commute to class for one day each week.
