LEVENE MBA WITH SPECIALIZATIONS

Courses are firmly focused on advancing technical expertise and tactical integration with higher level strategy. The Levene MBA will help you see above and beyond small detail towards the big picture, and is ideal for students on a trajectory towards mid-career management.

// CHOOSE YOUR DESTINATION. WELCOME YOUR FUTURE.

MBA

At Levene GSB our MBA program equips students to become change leaders in their marketplace and their environment. Through integrated learning techniques led by world-class professors, the MBA programs integrate students in their local and global communities allowing them to learn from faculty, each other, and those around them. Receiving

a Levene MBA means that you're interested in real, deep levels of learning. Our students are interested in creating tangible impacts on their businesses and the world. Learning in a dynamic and turbulent environment challenges Levene GSB students to rise to the occasion, equipping them with real world experience that lead to real world results.

LEVENE MBA

The Levene MBA is a 33 credit-hour program intended to be taken full or part-time, and is offered primarily through evening, online, or one-week intensive delivery.

MBA Core Courses (required)

- Business Policy & Strategy
- Social Issues in Business
- Managing Change
- Managing Information, Analytics and Decision-making
- Integrative Practicum
- International Study Tour

For the Levene MBA designation select any four electives of your choosing that best meet your educational and professional requirements and lead to the achievement of your career goals.

Should you choose to move into one of the specializations there will be specific courses required in order to receive your MBA. Please visit our website for more details.

The Levene MBA offers three specializations

- 1) **MBA International Business** gives you the business acumen to compete globally and interact effectively with foreign cultures. A highlight is the highly valued international study tour.

levene | gsb

Levene GSB programs are designed with laddering opportunities in mind, providing a framework where your time invested in one program may be carried into another, should you choose to continue your education. Taken separately or together, our modular programming gives you the flexibility to design a world-class, Levene GSB experience that suits you best.

MASTER'S CERTIFICATE

LEVENE POST-GRADUATE DIPLOMA IN BUSINESS FOUNDATIONS

EXECUTIVE MASTER OF BUSINESS ADMINISTRATION

- 2) **MBA Engineering Management** is perfect for you if you are working in management of physical assets. You will gain industry specific training in project management, economics, business law and risk management.
- 3) **MBA Public Safety Management** is a unique program combining the fundamentals of business management with the theory and practice of strategically leading organizations tasked with public safety. The program was developed with input from Canadian policing, first responders and corrections organizations.

// LEVENE MBA ADVANTAGES

- Systematic understanding of core business functions
- Strategic techniques for achieving focused results in complex markets
- Comprehensive approach to assessing situations and formulating solutions
- Capacity to lead cross-functional initiatives and corporate projects
- Life-changing international study tour

SEE THE WORLD BEFORE YOU CHANGE IT.

The World is Your Classroom. Learning to lead in a global context is crucial for senior managers today. As a student in the **Levene MBA** program, you will participate in our highly valued international study tour which expands your horizons - giving you an extended world view. You will further your awareness of cultural nuances in business management and leadership. Recent Levene trips have included Finland, Estonia, and China. On your tour you will meet local leaders, tour businesses in multiple economic sectors, and participate in a consulting project with other MBA students from the **Levene GSB** and international host schools.
