

Pay by Plate Parking (College Avenue Campus)

(8:00 am to 5:00 pm)

Frequently Asked Questions (FAQ's)

1. What is pay by plate parking?

Pay by plate parking enable customers to purchase parking time by using their license plate number. The pay stations print a receipt that generally displays the location, parking zone, start time, expiration time, amount paid, and license plate.

2. Is pay by plate different than pay and display parking?

Yes, "pay by plate" is different than "pay and display" parking because it doesn't require sticking a parking receipt on the window of your car.

3. How much does it cost per hour?

It costs \$2.00 /hour up to maximum 9 hours. After 5:00 pm, free evening parking comes in effect and the pay stations will not let parkers to buy or extend parking time.

4. What information is required to enter at the Pay Station?

You require both your plate and zone number.

5. Which Pay by Cell parking app. is available on main campus?

You need to download the "Way to Park" app. to pay for parking.

6. What information is required to use pay by cell (Way to Park) app?

You need both the zone # and plate # to use Park Way to Park app.

7. Can we extend parking time either at the pay station or by Way to Park app?

Yes, you can extend parking time by using the pay station or Way to Park app.

8. What are the zone numbers?

There are different zones for different locations. Signs are installed in the designated areas.

Lot 20: Zone: **6100**

Ramsey Drive: **6200**

Accessible Stalls: **6101**

9. Can we use the same zone number for multiple parking locations?

No, you cannot use the same zone number for multiple locations.

10. Are "Z" (Electrified) or "M" (Non-Electrified) stalls included in pay by plate parking?

No, "Z" and "M" stalls are not "pay by plate" parking. Please follow the signs and park your vehicle in the designated pay by plate parking areas.

11. What are the available payment options at pay stations?

Following are the flexible payment options available.

- Credit card with Tap
- Coins (Exact amount)
- Pay by Cell (Way to Park)
- Note: Debit cards are not accepted

12. Do pay stations give change in return?

No, pay stations do not give change in return. You need to put the exact amount of coins.

13. Can I pay at one pay station and get parking time extended at the other pay station?

No, you cannot use two different pay stations to buy and extend parking time. You have to use the same pay station or use Pay by Cell (Way to Park) app. as an alternative that allows you to extend parking time.
