Policy

Career & Professional Development (CPD):

Refund Policy: All eligible refunds are subject to a $50.00 administrative fee per class. However, no refunds will be issued after five (5) business days before the first day of the class. In the event of a medical illness, a medical certificate or doctor’s note is required and a full refund will be issued. Supporting documentation for medical illness must be received by CCE’s Student and Instructor Services Office within 10 business days of notification of the medical withdrawal. If documentation is not received within 10 business days, the refund becomes null and void. Registrants may transfer courses (within the same program area and semester) prior to the start of the course, providing there is availability. A $25.00 transfer fee will be charged.

Conservatory of Performing Arts (CPA):

Refund Policy: Students may cancel their registration up to 10 business days before a group class or camp begins and they will receive a 100% refund minus a $25 administration fee. After the 10th business day before the class starts, there are no refunds, however students may transfer their tuition to another camp or class within the same semester; semesters run January-April, May-August, and September-December. Students will be charged the extra cost if the new class or camp is higher in price and there is no refund on the difference in price if the new tuition fee is lower. Please note materials fees are non-refundable.
