Conservatory of Performing Arts
Group Class Protocols

Mask usage is mandatory at all times within the building and during all group classes. Voice students and instructors must remain masked even while singing. Winds and brass students may only remove masks while playing. **Bell covers are required** for all winds and brass instruments.

Between group classes, instructors are required to **wipe down touch points** in classrooms with anti-bacterial wipes.

**Physical and Social Distancing During Group Classes**

- Voice, winds, and brass require a minimum of **3 metres** of physical distancing
- For all other groups classes, a minimum of **2 metres** of physical distancing is required between all students and instructors
- Please practice social distancing: only send one family member with your child into the building. Come at the time of your class then leave after your class finishes.

Thank you for your kindness and cooperation during this difficult time! We are all working together to make a smooth transition into in-person teaching and we look forward to seeing you on campus this year!

*Symptoms of COVID-19 include: chills, conjunctivitis (pink eye), cough, diarrhea, fatigue, fever > 38 C, muscles or body aches, sore throat, shortness of breath, difficulty breathing, runny nose

If you or someone in your household are experiencing symptoms* of COVID-19, please stay home and contact your instructor about joining the class remotely.

If you test positive for COVID-19, please stay home and notify your instructor as well as the Health, Safety and Wellness team at health.safety@uregina.ca or call 306-337-2370.
