Conservatory of Performing Arts
Private Lesson Protocols

Mask usage is mandatory at all times within the building and during private lessons. All teachers must wear masks during all lessons, however winds, brass and voice students may remove their mask while playing/singing.

If you or someone in your household are experiencing symptoms* of COVID-19, please stay home and either have a virtual lesson or contact your teacher about rescheduling.

Between lessons, teachers are required to wipe down touch points in their studio with anti-bacterial wipes.

If you test positive for COVID-19, please stay home and notify your teacher as well as the Health, Safety and Wellness team at health.safety@uregina.ca or call 306-337-2370.

Physical and Social Distancing During Private Lessons

- Guitar, harp, strings, organ and piano require a minimum of 2 metres of physical distancing
- Voice, winds, and brass require a minimum of 3 metres of physical distancing
- Please practice social distancing: only send one family member with your child into the building. Come at the time of your lesson then leave after your lesson finishes.

Thank you for your kindness and cooperation during this difficult time! We are all working together to make a smooth transition into in-person teaching and we look forward to seeing you on campus this year!

*Symptoms of COVID-19 include: chills, conjunctivitis (pink eye), cough, diarrhea, fatigue, fever > 38 C, muscles or body aches, sore throat, shortness of breath, difficulty breathing, runny nose
