Non-Auditioned Scholarships/Awards

2020

Updated for COVID-19
GENERAL INFORMATION AND GUIDELINES

The Conservatory offers a large number of honours and awards to students each year. Teachers should enter as many deserving students as possible to make sure the competition for scholarships remains strong. Students are also encouraged to submit an application themselves.

Each year, different members of the Faculty are asked to join the Scholarship Committee (consisting of Heads of Departments, plus one Faculty member of each Department, plus the Conservatory Head). Participation entails judging students in your own field (string, piano, etc.), on a sub-committee, as well as joining the full committee in discussing Conservatory-wide awards (Director's Gold Medal, etc.).

1. All awards/honours received by the student since last year's Celebration of Excellence, are eligible for inclusion. (i.e., Provincial honours, band, orchestra and choir participation, and any honours received during the last Saskatchewan Music Festival Association competitions).

2. All awards/honours at all grade levels should be included.

3. Students must have attended at least 10 lessons during the previous scholarship year – September 1, 2019 to May 4, 2020, or be registered for at least 10 lessons in the current year prior to submitting a scholarship application.

4. Please submit all student recommendations for non-auditioned awards via the online system **BY 11:59pm, WEDNESDAY, OCTOBER 8, 2020.** Scholarship Entry/Recommendation Forms which do not include ALL THE NECESSARY INFORMATION will be considered incomplete and ineligible for consideration.

5. Scholarships not used by June 30, 2021 are no longer available to the student.

6. The age limit of the various Awards and Scholarships is as of January 1, 2020.

7. Awards and scholarships will be applied to student accounts as soon as possible following the announcement of award and scholarship winners.

8. Awarding of scholarships and awards will be dependent on the receipt of funds from the donors, which will be confirmed after the deadline for submissions.

9. Monies awarded must be used at the Conservatory of Performing Arts, the University of Regina for a music program, or another post-secondary accredited music institution.

10. The deliberations of the Scholarship Committee are confidential and the decisions are final, no appeals will be considered.
