How Santa Got His Tree

By Tim Kelly

Show Synopsis

There's big excitement in Santa's toy shop. Santa's helpers are building new toys, and the mail is piling up. Mrs. Claus has sent for a Christmas tree because Santa has always wanted one, and trees don't grow at the North Pole. Unfortunately, two nasty toymakers who have been banished from Santa's Village for shoddy workmanship try to get even! They steal the tree, and they won't give it back unless Mrs. Claus surrenders all the toys! Will the toys and tree be saved in time for Christmas?

*How Santa Got His Tree is produced by special
arrangement with Pioneer Drama Service,
