### **JOSEPH ANDREW NAYTOWHOW**

Joseph Naytowhow is a gifted singer/songwriter, accomplished stage and screen actor, orator and storyteller.

Passionate about the arts, Naytowhow has shared his artistic vision through collaborations, film, television, theatre, mentoring, and teaching. Using his many talents, he explores themes of traditional nehiyaw (Cree) culture and contemporary society with a focus on bringing people together. Naytowhow is a sought-after presenter and guest speaker who explores a variety of subjects including traditional Indigenous culture and ways of being/knowing. He is renowned for his unique style of Cree/English storytelling combined with contemporary music and traditional First Nations drum, flute and rattle songs.

He is the recipient of numerous awards including the Canadian Aboriginal Music Award's Keeper of the Tradition Award and a Gemini Award for his role in the Wapos Bay TV series.

A member of the Sturgeon Lake First Nation Band, Naytowhow has earned a Bachelor of Education degree, studied with a Buddhist master for 15 years, worked as an interdisciplinary artist, educator, and mentor and is committed to lifelong learning and sharing cultural knowledge.

He also has a strong connection to the University having served with the U of R Faculty of Education as an emerging Elder-in-Residence in 2015/16 and 2018/19.

Naytowhow says, "This degree validates the knowledge and skills I'd been taught by traditional Indigenous teachers/masters. It demonstrates that our ways of knowing as Indigenous people are respected and accepted as part of the world I grew up in, here in Saskatchewan and Canada."

Joseph Naytowhow will receive an honorary Doctor of Laws *honoris causa* (LLD) on June 12.

**Thursday, June 13**

### **BHANU PRASAD**

Dr. Bhanu Prasad is a Regina physician renowned for his expertise in nephrology - a field of medicine dealing with kidneys and hypertension.

Dr. Prasad is an award-winning doctor, teacher, and a researcher. He is internationally recognized for his research in a rare disease, loin pain hematuria syndrome (LPHS), and his unwavering commitment to finding answers to this devastating condition.

This debilitating disease affects young women, who are often treated with high doses of opiates, resulting in depression and long-term disability. Dr. Prasad and his team have successfully developed other treatment options to provide lasting pain relief to patients with LPHS and are conducting genetic studies they hope will lead to earlier diagnosis and additional treatment options.

Dr. Prasad has been recognized with numerous awards, including the Saskatchewan Medical Association Physician of the Year Award, Top Collaborative Innovation Development Grant (Clinical Research) at the Saskatchewan Health Research Foundation Annual Santé Awards, and the Queen Elizabeth II Platinum Jubilee Medal for Excellence in Healthcare from the province.

Dr. Prasad says, "This recognition from a prestigious institution affirms the dedication and passion I have put into my clinical work, research, and teaching endeavors. It serves as validation for the countless hours of effort and commitment I have invested in my professional pursuits."

Dr. Bhanu Prasad will receive an honorary Doctor of Science *honoris causa* (DSc) on June 13.

### GOVERNOR GENERAL'S ACADEMIC GOLD MEDAL

The Governor General's Academic Gold Medal recognizes the outstanding academic performance of a graduate student. The decision of the Faculty of Graduate Studies and Research Scholarship and Awards Committee is based on the quality of the thesis or exhibition, external examiner's report, quality of the defense, course work, cumulative grade point average (CGPA), publications and presentations deriving directly from the research done for the thesis or exhibition, and on awards received. Elyssa's impressive thesis was translated into published work, with the first chapter of her thesis becoming an article in the high-impact journal *Current Biology*. Elyssa has had great success in presenting at national-level conferences, in addition to delivering a regular CBC Radio Canada French segment on the fossil history of Saskatchewan during her time as a master's student. All universities have distinctive academic dress for each degree conferred and, at times, for the disciplines in which the degree is awarded.

With the exception of students graduating with a PhD and federated college students, graduates wear black gowns. PhD graduates' gowns are scarlet with royal blue around the collar, down the front and around the sleeves.

Students graduating from the University of Regina who have been registered through a federated college wear the following: red gowns for Campion College students, sky blue gowns for First Nations University of Canada students, and royal blue gowns for Luther College students. Students are welcome to wear their Indigenous ceremonial dress, other cultural ceremonial dress, or their military or law enforcement dress uniform with, or instead of, the gown at the Convocation ceremonies.

The following is a list of the Undergraduate and Graduate degree hoods. The first and second squares represent the colour of the outside and inside trim, or lining, respectively. The third square represents the colour of the decorative cord.

CEREMONIAL FURNITURE

The three ceremonial chairs were a gift to the University of Regina from Dr. Terence R. McKague, Chancellor Emeritus, who served as Chancellor from 1989-1995. The chairs were acquired from Carmichael United Church, Dr. McKague's boyhood place of worship. This ceremonial furniture is incorporated into all official ceremonial functions.

ORGANIZATIONAL STRUCTURE OF THE UNIVERSITY

The University of Regina is situated on Treaty 4 lands with a presence in Treaty 6 territory. These are the territories of the nêhiyawak (Cree), Anihšīnapek (Saulteaux), and Dakota, Lakota, and Nakoda, and the homeland of the Métis/Michif Nation. Today, these lands continue to be the shared territory of many diverse peoples from near and far.

The University of Regina operates under the terms of *The University of Regina Act*. Convocation comprises the Chancellor, the Senate, all graduates of the University of Regina, all graduates of the University of Saskatchewan at Regina Campus, and such other classes of persons as the Senate may from time to time determine. Convocation meets twice annually, in June and October, unless there are extraordinary circumstances.

The Chancellor is elected by the members of Senate, holds office for three years, presides over Convocation, confers degrees and is *ex officio* Chair of the Senate and a member of the Board of Governors.

Senate is the University's "window on the world." It is concerned with the academic welfare of the institution and has a variety of duties and powers. Most of the broader issues of academic policy within the University are reserved for Senate's approval. In another role, it acts as an ultimate court in academic affairs. The membership of Senate includes

persons *ex officio*, or by virtue of the University offices they hold. Convocation elects another fourteen members of Convocation to the Senate. Students registered in the University elect six students of the University to Senate. In addition, any professional society, group or organization in the province that Senate believes contributes in a significant way to the social, economic and cultural welfare of the province may be represented on Senate.

The Board of Governors consists of eleven members and is responsible for overseeing the administrative and business affairs of the University. It ultimately has authority in matters related to the raising and spending of University funds, and the acquisition and management of University property.

Council's membership includes administrative officers, all Deans and directors of academic programs, all full-time members of the teaching staff, and a number of student representatives. All matters of substance related to the academic affairs of the University, as well as matters of academic discipline, must be considered and approved by the Council.

The Executive of the University of Regina Council (Executive of Council) has been empowered by Council to act on its behalf. Executive of Council membership is devised as a proportional basis of the academic composition of the University.

Disciplines that are related to one another in the broader areas of teaching are, for purposes of administrative and academic planning, brought together into Faculties, of which there are currently ten. Each Faculty is headed by a Dean; formal membership includes the Dean and the teaching members of the various associated disciplines. The Deans are recognized by *The University of Regina Act* as being the heads of their respective Faculties and are directly responsible to the President through the Provost and Vice-President (Academic). Subject to the statutes of the Senate and the University of Regina Council, each Faculty has charge of all matters of scholarship in its disciplines and programs.
