SOLOMON GEORGE AND ELSIE MILDRED SANDERSON

Builders of Nations: Solomon G. and Elsie Sanderson

Solomon G. and Elsie Sanderson have spent their lives advancing Indigenous governance, education, and community leadership in Saskatchewan and across Canada.

Sol Sanderson is one of the country's most influential First Nations political leaders. Beginning his public life at age 15, he helped secure constitutional recognition of Aboriginal and treaty rights through Section 35 of the Constitution Act, 1982, and played a foundational role in creating institutions including First Nations University of Canada and the Saskatchewan Indian Institute of Technologies.

Elsie Sanderson has devoted her life to preserving traditional knowledge, strengthening families, and supporting Indigenous governance. Her work has included decades of service in administration, cultural teaching, and child welfare advocacy.

Together, their work has helped shape generations of Indigenous leaders.

"Receiving this degree confirms for me the validity of the learning ways of First Nations," Elsie says.

"Make plans that the next generation can build on," Sol advises.

Sol and Elsie Sanderson will each receive an Honorary Doctor of Laws from the University of Regina on Wednesday, June 17.

Thursday, June 18 | 9:30 am

RALPH EDWARD GOODALE

A Lifetime in Service: The Honourable Ralph Goodale

The Honourable Ralph Goodale has dedicated more than five decades to public service, representing Saskatchewan and Canada with distinction at home and abroad. Raised in Wilcox, Saskatchewan, Goodale studied at the University of Saskatchewan, Regina Campus before beginning a career that would make him one of Canada's most recognizable political leaders.

First elected to Parliament at age 24, Goodale became Regina's longest-serving Member of Parliament, representing the constituency of Wascana for 26 years. Over his career, he held senior Cabinet portfolios including Finance, Agriculture, Natural Resources and Public Safety, helping shape national policy during pivotal moments in Canadian history.

In 2021, he was appointed High Commissioner of Canada in the United Kingdom, extending his public service onto the international stage.

Goodale credits his success to community and education. "I have had the privilege of many opportunities throughout my lifetime," he says. "An excellent education provided in large part by the University of Regina helped make that possible."

"Approach your future with a potent combination of ambition and kindness," advises Goodale.

The Honourable Ralph Goodale will receive an Honorary Doctor of Laws from the University of Regina on Thursday, June 18.

HONORARY DEGREE RECIPIENT

Friday, June 19 | 9:30 am

ROBERT DANIEL STEADWARD

A Champion of Inclusion

Dr. Bob Steadward has spent a lifetime changing the world through sport. Born in Eston, Saskatchewan, and educated at Luther College High School in Regina, Steadward became one of the most influential leaders in the global Paralympic movement, transforming opportunities for athletes with disabilities around the world.

After earning degrees in physical education from the University of Alberta, he founded what is now The Steadward Centre for Personal & Physical Achievement, a groundbreaking model for adapted sport and physical activity. His impact expanded globally in 1989 when he became founding president of the International Paralympic Committee, helping elevate the Paralympic Games and securing a landmark partnership with the International Olympic Committee.

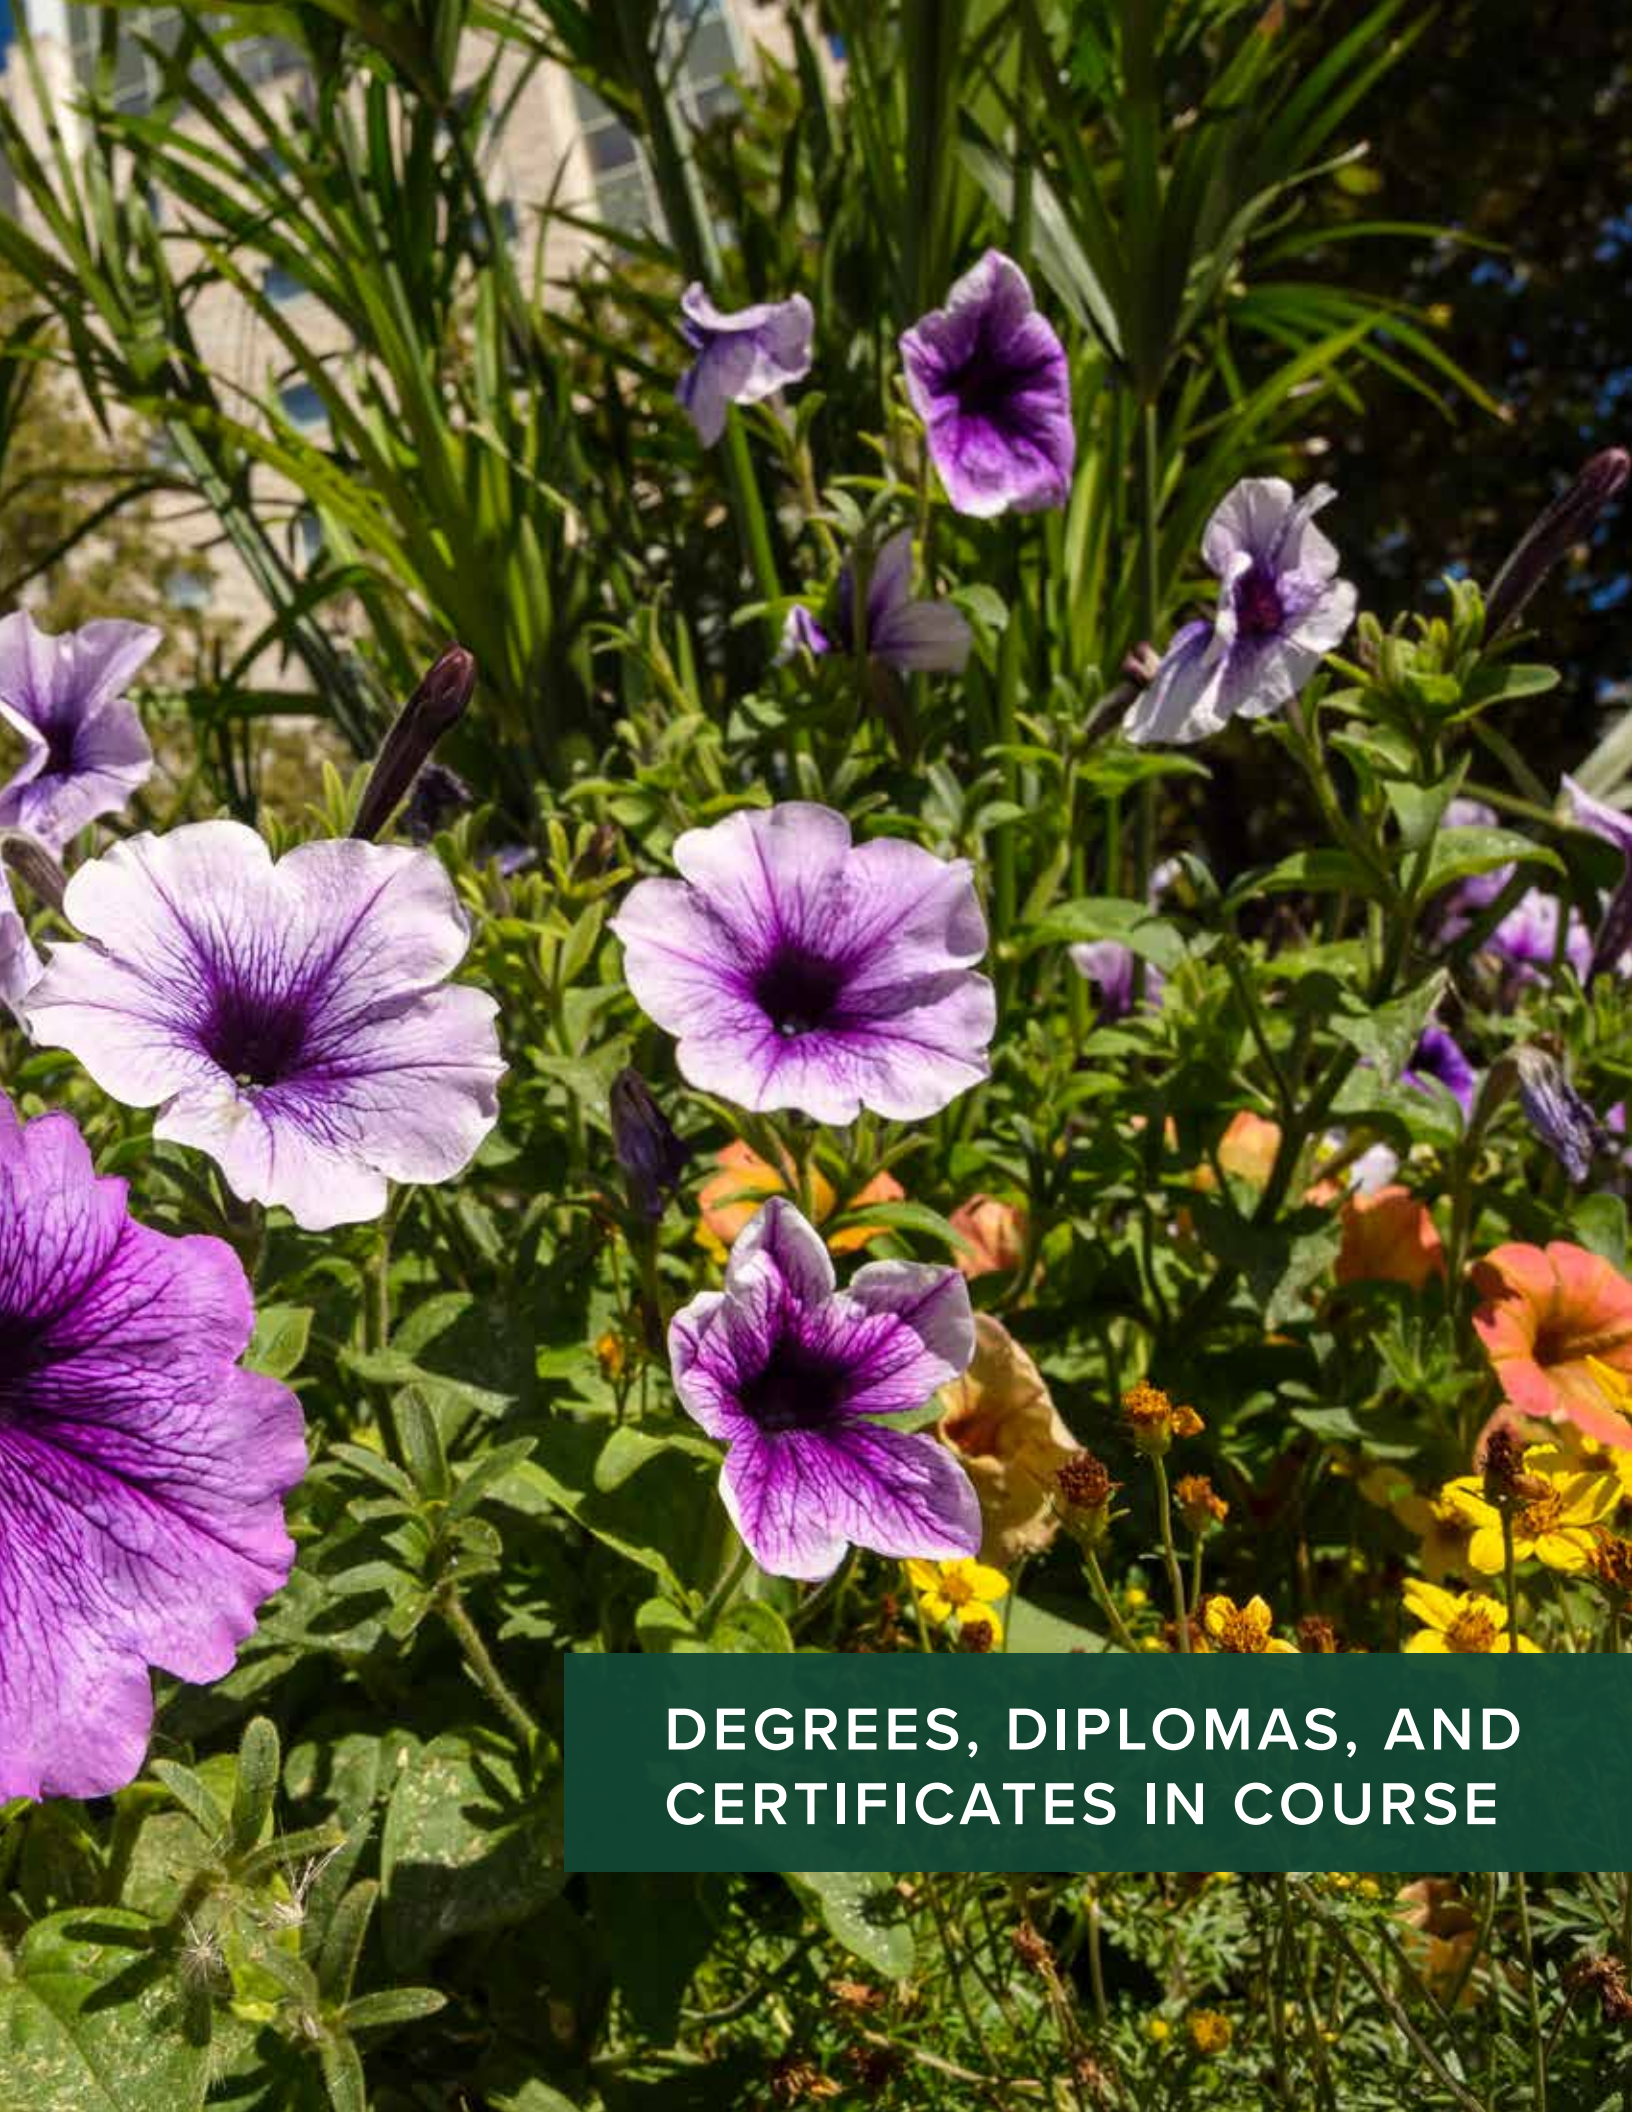

Steadward's influence has extended beyond sport through advocacy, mentorship, and service. Earlier this year, he was honoured by the community of Maskwacis with a Cree name and honorary headdress recognizing his decades of work with Indigenous communities and people living with disabilities.

"I would encourage the graduating class to never lose sight of hope, opportunity, and the power of the human spirit," he says.

Dr. Bob Steadward will receive an Honorary Doctor of Laws from the University of Regina on Friday, June 19.

FACULTY OF GRADUATE STUDIES AND RESEARCH

DOCTOR OF PHILOSOPHY

Tannen Darnell Acoose

Statistics

Thesis: On the Partially Geometric, Beta-Partially Geometric, and zero-truncated negative binomial weighted-Lindley distributions

Co-Supervisors: Dr. Shaun Fallat and Dr. Andrei Volodin

External Examiner: Dr. Jiraroj Tosasukul, Naresuan University

Raymond Benjamin Afful

Statistics

Thesis: Advancing statistical methodology for clinical trials: Yule's Q under the special direct-inverse binomial sampling design, with novel distributions

Supervisor: Dr. Andrei Volodin

External Examiner: Dr. Séverien Nkurunziza, University of Windsor

Matthew Philip Alexander

Mathematics

Thesis: A Frobenius and Hopf algebraic formulation of quantum field theory

Supervisor: Dr. Martin Frankland

External Examiner: Dr. Donald Yau, Ohio State University

Abu Mohammad Hammad Ali

Computer Science

Thesis: Exact and approximate preference aggregation using conditional preference networks

Co-Supervisors: Dr. Sandra Zilles and Dr. Boting Yang

External Examiner: Dr. Judy Goldsmith, University of Kentucky

Danielle Melonie Caissie

Clinical Psychology

Thesis: Wellbeing, protective factors, and service needs of parents of young children with congenital heart disease

Supervisor: Dr. Kristi Wright

External Examiner: Dr. Lianne Tomfohr-Madsen, University of British Columbia

Yaren Koca

Experimental and Applied Psychology

Thesis: Representation of familiarity in the face space

Supervisor: Dr. Chris Oriet

External Examiner: Dr. James W. Tanaka, University of Victoria

Easter Ndlovu

Biochemistry

Thesis: The role of cytoskeletal dynamics in regulating cell mechanical properties and C. albicans- and C. glabrata-host cell interactions that lead to oncogenic pathway activation and cancer progression

Co-Supervisors: Dr. Tanya Dahms and Dr. Etienne Dague

External Examiner: Dr. Kristen J. Verhey, University of Michigan

Stjepan Oresic

Physics

Thesis: Signal extraction and simulations for $\eta \rightarrow \pi^0\gamma\gamma$ and $\eta \rightarrow \pi^+\pi^-e^+e^-$ decays at the Jefferson Lab Eta Factory

Co-Supervisors: Dr. Zisis Papandreou and Dr. Cristiano Fanelli

External Examiner: Dr. Rachel Montgomery, University of Glasgow

Hilary Ann Power

Clinical Psychology

Thesis: The development and evaluation of the Internet-delivered Cystic Fibrosis Mental Health Prevention, Wellness, and Resource (iCF-PWR)

Supervisor: Dr. Kristi Wright

External Examiner: Dr. Tonya M. Palermo, University of Washington

Shelby Marie Shivak

Clinical Psychology

Thesis: The development and evaluation of an internet-delivered mental health prevention program for healthy child siblings of individuals with cystic fibrosis

Supervisor: Dr. Kristi Wright

External Examiner: Dr. Nicole M. Alberts, Concordia University

Xiaoqing Zhang

Statistics

Thesis: Generalized Lindley-binomial models for analyzing overdispersed and endpoint-inflated proportional data

Supervisor: Dr. Dianliang Deng

External Examiner: Dr. Longhai Li, University of Saskatchewan

MASTER OF ARTS

Nana Ayesua Ahene

Social Studies

Dorcas Ansong

Social Studies

Enjie Fang

English

Hailey Cavel Greke

English

Piotr Kazimierz Kosztirko

Social and Political Thought

Thesis: Quasi-sensory religious experiences (QSREs) and their distinction from common/ everyday sensory experiences (ESEs)

Supervisor: Dr. Roger Petry

MASTER OF SCIENCE

Mohammad Majdi A. Abdelhalim

Computer Science

Thesis: Detecting denial-of-service (DoS) attacks in open RAN using standardized metrics

Supervisor: Dr. Nashid Shahriar

Emmanuel Aimuel

Computer Science (Human-Centred Computing)

Mir Nabila Ashraf

Aging Studies

Thesis: Digital health recommendations for aging populations managing chronic disease (DReAM Chronic Disease)

Co-Supervisors: Dr. Natasha Gallant and Dr. Thomas Hadjistavropoulos

Tahsin Aziz

Computer Science

Thesis: The effect of command icons' size variation on spatial learning of commands in graphical interfaces

Supervisor: Dr. Md Sami Uddin

Kelsey Diane Bell

Biology

Thesis: Temporal changes in grassland songbird density in pastures with increasing exotic vegetation cover

Co-Supervisors: Dr. Stephen Davis and Dr. R. Mark Brigham

Niraj Bhakhar^o

Computer Science (Data Science)

Tarun Bhatia

Computer Science (Data Science)

Shane James Crerar

Mathematics

Thesis: The space of extensions that restricts to faithful states

Co-Supervisors: Dr. Martin Argerami and Dr. Francis Bischoff

Agustin D'Alessandro

Mathematics

Thesis: The group of formal power series under substitution

Co-Supervisors: Dr. Fernando Szechtman and Dr. Allen Herman

Alexa Michelle Danyluk

Clinical Psychology

Thesis: The relationships between dispositional mindfulness and coping flexibility in the general population

Supervisor: Dr. Shadi Beshai

Ben Michael John Egan

Geology

Thesis: Geochemical analysis of amber and enamel to understand Cretaceous animal behaviour

Co-Supervisors: Dr. Maria Velez Caicedo and Dr. Ryan McKellar

Stephanie Paige Flaman

Biology

Thesis: Using remote sensing techniques to estimate aboveground biomass of field shelterbelts

Co-Supervisors: Dr. Mark Vanderwel and Dr. Fardausi Akhter

Shashen Gounden

Mathematics

Thesis: Steenrod's Realization Problem and Stanley-Reisner Rings

Supervisor: Dr. Donald Stanley

Alayna Coral Gretton

Clinical Psychology

Thesis: Internet-delivered cognitive behavioural therapy for suicidal thoughts and behaviours: A mixed methods study of engagement, adherence, and outcomes

Supervisor: Dr. Heather Hadjistavropoulos

Ashraful Islam

Computer Science

Sayna Jodatvand

Chemistry

Thesis: Multi-NMR crystallography for glycine polymorph discrimination, and understanding SCF convergence threshold / MPI interplay for the robust computation of hydrogen magnetic shielding values

Supervisor: Dr. Cory Widdifield

Darshan Rajeshbhai Kanani

Computer Science (Human-Centred Computing)

Mohammad Hossein Karimian

Computer Science

Thesis: Causal, strategic, and combined responsibility anticipation and attribution in situation calculus concurrent game structures

Supervisor: Dr. Shakil Khan

Jasleen Kaur

Clinical Psychology

Thesis: A qualitative exploration of the lived experiences and information and resource needs of parent caregivers of children with cystic fibrosis

Supervisor: Dr. Kristi Wright

Kallin Mark Kehrig

Computer Science

Thesis: Parameter-efficient invariance via equivariant object detection networks

Supervisor: Dr. Howard Hamilton

Digvijay Kamal Kharecha

Computer Science

Maija Jeane Kiviharju

Clinical Psychology

Thesis: Examining non-gestational partner engagement

Supervisor: Dr. Jennifer Gordon

Jessica Sarah Lermينياux

Biology

Thesis: Microcystin dynamics in inland waters: Environmental drivers, habitat-specific patterns, and natural removal pathways

Supervisor: Dr. Kerri Finlay

Katelyn Shirley Lockinger

Clinical Psychology

Thesis: The buffering effect of dispositional mindfulness on the relationships between adult attention deficit/hyperactivity disorder, depression, and anxiety symptoms

Supervisor: Dr. Shadi Beshai

Kadence Reid Meredith

Computer Science

Thesis: Establishing upward pass semantics and exploiting barren variables in arithmetic circuit inference

Supervisor: Dr. Cortney Butz

Nicholas Octavio Montenegro

Geology

Thesis: Tectonometamorphic evolution of the Waugh Lake basin, NE Alberta, and its context within the southern Taltson Orogen

Supervisor: Dr. Kathryn Bethune

Syed Haider Abbas Naqvi

Computer Science

Sumaiya Nawsheen

Computer Science

Thesis: Three-way density clustering with spatial-color fusion for medical image segmentation

Supervisor: Dr. Jingtao Yao

Thuy Thi Thanh Nguyen^o

Computer Science (Data Science)

Holden James Norrie

Clinical Psychology

Thesis: Comparing effects of aerobic exercise and interoceptive exposure on anxiety sensitivity: A randomized control trial

Supervisor: Dr. Gordon Asmundson

Steffi Irene Oberthier

Experimental and Applied Psychology

Thesis: Tell me about a time someone lied to you: Children's everyday experiences with being deceived

Supervisor: Dr. Sarah Zanette

Computer Science

Thesis: Focus: A cohort-based forecasting system for populations in custody

Supervisor: Dr. Howard Hamilton

Siavash Pirzadeh Nahooji

Computer Science

Thesis: Forecast reconciliation for lattice-structured sets of time series

Supervisor: Dr. Howard Hamilton

Viral Mukeshbhai Prajapati^o

Computer Science (Data Science)

Hemanth Regi

Physics

Thesis: Scattering of jets in dissipative quark-gluon plasma

Supervisor: Dr. Gojko Vujanovic

Victor C. Rozario

Computer Science

Thesis: Effects of grouping command-icons on spatial memory development of commands in graphical interfaces

Supervisor: Dr. Md Sami Uddin

Bahar Sadegh Ehdadei

Biology

Thesis: Effects of 12 weeks lifestyle modification on appetite responsiveness to an acute bout of moderate-vigorous in type 2 diabetes

Co-Supervisors: Dr. Julia Totosy de Zepetnek and Dr. Andrew Cameron

Zulaihat Jummai Sanni

Geology

Thesis: Sedimentologic and stratigraphic properties, and palynological study of Late Cretaceous Lokoja and Patti formations:

Implications for hydrocarbon potential, Southern Bida Basin, Central Nigeria

Supervisor: Dr. Osman Salad Hersi

Akshat Sharma

Computer Science

Thesis: Privacy-preserving continual federated learning via GANs and elastic weight consolidation

Co-Supervisors: Dr. Jingtao Yao and

Dr. Malek Mouhoub

Holly Jean Shoulak

Geology

Thesis: Sedimentology, stratigraphy and reservoir characteristics of the Mississippian Frobisher beds in southeastern Saskatchewan

Supervisor: Dr. Hairuo Qing

Yuliya Shtymburska

Biology

Thesis: Understanding factors that affect mercury concentrations in aquatic organisms through size, resource use, spatial variation, and thermal effluent from coal-fueled power plants

Co-Supervisors: Dr. Britt Hall and

Dr. Christopher Somers

Mehak Singal

Statistics

Dwij Kishor Siyal^o

Computer Science (Data Science)

Tilar Ann Steinke

Experimental and Applied Psychology

STUDENT AWARDS AND UNIVERSITY TRADITIONS

STUDENT AWARDS AND UNIVERSITY TRADITIONS

GOVERNOR GENERAL'S ACADEMIC GOLD MEDAL

The Governor General's Academic Gold Medal recognizes the outstanding academic performance of a graduate student. The decision of the Faculty of Graduate Studies and Research Scholarship and Awards Committee is based on the quality of the thesis or exhibition, external examiner's report, quality of the defense, course work, cumulative grade point average (CGPA), publications and presentations deriving directly from the research done for the thesis or exhibition, and on awards received. The pool of applicants included graduate students who applied for graduation at the Spring Convocation, or who graduated at the previous Fall Convocation.

Regan Glennis Toni, Master of Social Work

Regan's Masters research focused on individuals in the process of recovery from substance abuse and their experience of their relationship with their drug of choice. Graduating with an average of 92.4%, Regan's impressive thesis is just one aspect of her time at University of Regina. Regan was a significant contributor to the culture in the faculty of Social Work, serving as an active member of a faculty-wide support group for thesis students and providing mentorship to fellow students. During Regan's program she maintained employment at Youth Mental Health and Addiction Services as a social worker, managing the demands of being a single parent and an active community member with her social work program requirements.

Regan's Supervisor, Dr. Kara Fletcher, was "deeply impressed by Regan's scholarship and breadth of knowledge presented in her thesis," comparing it to "what would typically be found in a PhD thesis."

GOVERNOR GENERAL'S ACADEMIC SILVER MEDAL AND UNIVERSITY PRIZE IN SCIENCE

The Governor General's Academic Silver Medal recognizes outstanding scholastic achievement and is awarded at Spring convocation to the most distinguished undergraduate student receiving a first degree over the past academic year.

Vanna Hung, Bachelor of Science in Biology, Cellular and Molecular Biology Concentration *with Great Distinction*

Vanna completed the requirements of her program with a cumulative grade point average of 97.45%, consistently earning a term grade point average above 94% with a full course load. She earned perfect scores of 100% in eight of her classes, and 99% in another eight.

Under the supervision of Dr. Andrew Cameron, Vanna completed an NSERC summer research award studying Salmonella. She was an active member of both the Biology Undergraduate Society and the Science Student Society and found time to be an ambassador leader for the University's Ambassador Program, be a teaching assistant, and volunteer as a conversational English Instructor.

Vanna is also the recipient of the **University Prize in Science** which is awarded to the most distinguished student graduating with a first degree from the Faculty of Science.

PRESIDENT'S MEDAL AND FACULTY OF ARTS DEAN'S MEDAL

The University of Regina President's Medal is awarded at each Spring and Fall Convocation to a student receiving a first undergraduate degree who has shown academic excellence as well as major leadership and commitment to extra-curricular activities while a student at the University.

Nimra Burki, Bachelor of Arts in Human Justice *with Great Distinction*

Throughout completion of her degree, Nimra demonstrated academic excellence, completing her degree with an impressive 90.48% average.

Beyond her academic accomplishments, Nimra has shown a strong commitment to community engagement, advocacy, and restorative justice. As President of the UR Restorative Justice Club, she organized volunteer opportunities that connected students and community members with meaningful initiatives. In volunteering with White Pony Lodge, Nimra aimed to challenge negative social stigmas of certain neighbourhoods and communities. She also volunteered extensively with other organizations including Souls Harbour, the Regina Food Bank, and Pro Bono Law Saskatchewan.

In her own words, Nimra states that her life's motto is "courage drives change", and this is evidenced by both her academic work and her dedication to supporting those in the community who have otherwise been ignored and discriminated against. Nimra is not only a source of pride for the university, but for the community as well.

Nimra is also the recipient of the **Faculty of Arts Dean's Medal** which is presented annually at each Spring and Fall Convocation to recognize the academic achievements of an outstanding student in the Faculty of Arts.

UNIVERSITY MEDAL

The University Medal is presented annually at Spring Convocation to the most distinguished student – one who has achieved academic excellence in all courses completed during the previous twelve months with a minimum of 30 credit hours in two terms.

Eshaal Rabiya

As a University of Regina's Chancellor's Scholar, Eshaal began pursuing a Bachelor of Science in Psychology through Campion College in Fall 2024. With the goal of studying medicine, Eshaal has excelled academically, being named to the Dean's Honours List in every eligible term with a current undergraduate grade point average of 97.14%.

Eshaal's academic excellence is matched only by her dedication to serving others. She volunteers regularly at the Pediatric Unit at the General Hospital and is a member of the Canadian Blood Services NextGen Lifeline post-secondary club. Under the supervision of Dr. Thomas Hadjistavropoulos in the Health Psychology Laboratory, Eshaal successfully secured a research internship funded by the Canadian Institutes of Health Research-supported Brain Health Care Training Platform. This opportunity has deepened her engagement in brain research, particularly in addressing the challenges faced by individuals with dementia who are unable to communicate pain. Motivated by this critical need, Eshaal uses the *Facial Action Coding System* to study the facial expressions of individuals in pain in the hopes of developing improved methods to recognize and assess pain in patients with cognitive impairments.

S. E. STEWART PRIZE IN ARTS

The Faculty of Arts awards annually the S.E. Stewart Prize in Arts to the most distinguished of its graduates receiving their first degree. This distinction is based exclusively on academic standing.

Alissa Annika Jamie Sadler, Bachelor of Arts in Sociology, minor in Law & Society *with Great Distinction*

Alissa completed her degree with an undergraduate and program grade point average of 91.97%. At the start of her university career, Alissa received an Entrance Scholarship along with the William Borden Ingram Award, which was renewed for the following three years. She was named to the Dean's Honours List every fall and winter term throughout her program, earning her the Academic Silver scholarship four times. She received numerous other awards, including the Dr. Paul Antrobus Scholarship in Social Sciences, the FGSR Undergraduate Research Award, the Dr. Leona Anderson Religious Studies Essay Prize, and multiple other scholarships from Luther College.

HILL LEVENE SCHOOL OF BUSINESS DEAN'S MEDAL

The Hill Levene School of Business Dean's Medal is awarded at each Spring and Fall Convocation to a student receiving a first degree with a minimum average of 80% who has shown leadership in and commitment to extra-curricular activities while at the University of Regina.

Arden Liam Leo Labatt, Bachelor of Business Administration in Accounting *with Great Distinction*

Graduating with Great Distinction, Arden was named to the Dean's Honours List seven times and received numerous scholarships and awards throughout his studies including the Academic Gold and Academic Silver Scholarships.

Arden played a key role in managing UR Investing, a \$2.9 million student-run portfolio, where he delivered the only two investment pitches approved during his tenure, generating returns of up to 39%. He also competed in academic case competitions including JDC West and the CFA Institute Ethics Challenge, earning both regional and national championships.

Beyond academics, Arden demonstrated exceptional leadership and service. As President of the University of Regina Ski & Board Club, he managed more than \$80,000 in annual revenues and led Canada's largest student-run ski trip. He also volunteered extensively with organizations including the YWCA, Regina Food Bank, Agribition, and Habitat for Humanity.

Arden is also the recipient of the **Leon Goldman Scholarship** which is awarded to the most distinguished graduate of the Faculty of Business Administration receiving a first degree at the Spring Convocation. This scholarship was donated by Mr. and Mrs. Norman Gleiberman and family to honour Mrs. Gleiberman's father, Mr. Leon Goldman, on his 75th birthday.

FACULTY OF EDUCATION DEAN'S MEDAL

The Faculty of Education Dean's Medal is awarded to an Education student receiving a first undergraduate degree who has shown academic excellence as well as major leadership and commitment to extra-curricular activities while a student at the University.

Emma Marie Metz, Bachelor of Education in Elementary Education *with Great Distinction*

Emma has demonstrated an outstanding commitment to inclusive education, leadership, and community engagement throughout her degree. As an Instructional Assistant with Regina Catholic Schools and a Summer Program Worker with the Autism Resource Centre, she created supportive learning environments for children with diverse needs. She also delivered STEM programming across southern Saskatchewan through the university's Educating Youth in Engineering and Science program, promoting accessibility and representation in education. Emma's dedication to service extended through outreach work with White Pony Lodge and involvement in restorative justice and social impact initiatives on campus. As a coach in basketball, cross country, and track and field, she fostered confidence, perseverance, and inclusion among young athletes. Graduating from the Faculty of Education with a 92.1% undergraduate grade point average, Emma's achievements have been recognized through the Marlene (Wood) Steininger Memorial Scholarship in Education, the Helen Marguerite Fuller Prize for Teaching, the Willoughby Scholarship, the Canadian Federation of University Women Scholarship, the Children on the Move Scholarship, and the Muriel Welwood Scholarship for Women in Education.

Emma is also the recipient of the **Saskatchewan Teacher's Federation Award** which is awarded to the most distinguished student of the graduating class in the Faculty of Education graduating with a first degree.

FACULTY OF ENGINEERING AND APPLIED SCIENCE DEAN'S MEDAL

The Faculty of Engineering and Applied Science Dean's Medal is presented at each convocation to recognize the achievements of an outstanding student in the Faculty of Engineering and Applied Science.

Emily Amber Frostad, Bachelor of Applied Science in Electronic Systems Engineering (Co-op) *with Great Distinction*

Having earned an outstanding undergraduate grade point average of 93.35%, Emily achieved a term grade point average of 90% or higher in every term of her undergraduate degree, and was named to the Dean's Honours List 11 times. Throughout her studies at the U of R, Emily was the recipient of numerous scholarships and awards, including the UR Circle of Scholars Scholarship (2021-2024), the Academic Silver prize (2022, 2024), the Academic Gold Prize (2025), and the APEGS Engineering Prize (2021), among many others.

Emily completed her degree with a co-operative education designation undertaking all of her work terms with SaskPower. Notably, she contributed to Saskatchewan's first-ever microgrid at Descherm Lake. She has also been involved in numerous research projects. For her capstone project, *AgriWAN*, she worked with her team to develop a LoRaWAN-based solution that will be implemented by the company FarmSimple Solutions in future designs.

PRESIDENT DONALD O. WELLS MEDAL IN ENGINEERING

The President Donald O. Wells Medal in Engineering is awarded at Spring Convocation to an outstanding student graduating with a major in Environmental Systems Engineering and intending to pursue a Master of Applied Science in Engineering at the University of Regina.

Carson Joshua James Leischner, Bachelor of Applied Science in Environmental Systems Engineering (Co-op) *with Great Distinction*

Carson began his studies with an Entrance Scholarship and continued to earn numerous scholarships throughout his studies, including the Academic Silver Scholarship (2022, 2023, 2025), the Brian and Gail Saunders Scholarship (2021), the JD Mollard and Associates Prize (2024), and the Dr. Jack Mollard Sensing the Earth Scholarship (2024), among others.

He gained valuable professional experience through four co-operative education placements at the Ministry of Highways, Environment and Climate Change Canada, SaskEnergy, and the City of Regina.

Carson's capstone project focused on the design and modelling of a remediation system for brine-contaminated soil. The design involved soil amendments, flushing, subsurface drainage, leachate containment, wind-aided intensified evaporation, and phytoremediation. For this work, he and his teammates were the inaugural recipients of the CSCE South Saskatchewan Capstone Award.

FACULTY OF KINESIOLOGY AND HEALTH STUDIES DEAN'S MEDAL AND THE UNIVERSITY PRIZE IN KINESIOLOGY AND HEALTH STUDIES

The Faculty of Kinesiology and Health Studies Dean's Medal is presented to a student graduating with a first degree who has demonstrated both leadership and academic achievement in the Faculty of Kinesiology and Health Studies.

Dylan Taggart Sies, Bachelor of Kinesiology in Human Kinetics *with Great Distinction*

Dylan consistently demonstrated exceptional academic performance throughout his undergraduate studies. He has been named to the Dean's Honours List every fall and winter term of his program and has received numerous academic honours, including the Academic Silver Scholarship (2023, 2024, 2025), the Aboriginal Kinesiology and Health Studies Award (2025), and the Faculty of Kinesiology and Health Studies Dean's Award of

Academic Excellence (2026). In addition, he was the recipient of the INDspire Building Brighter Futures Award, sponsored by Health Canada and INDspire.

Dylan has also demonstrated strong leadership both on and off campus through his volunteer and employment experiences. These include supporting individuals with disabilities through university initiatives and his work at SaskAbilities. He has delivered exercise programming to clients through the Enrich Neurorehabilitation program at the University of Regina. Dylan exemplifies the University of Regina's motto, "As one who serves," and will continue making meaningful contribution to the field of Kinesiology as he pursues a career in prosthetics and orthotics.

Dylan is also the recipient of the **University Prize in Kinesiology and Health Studies** which is awarded at convocation to the most distinguished student graduating with a first degree from the Faculty of Kinesiology and Health Studies.

FACULTY OF MEDIA, ART, AND PERFORMANCE DEAN'S MEDAL

The Faculty of Media, Art, and Performance Dean's Medal is presented to a student graduating with a first degree who has demonstrated both leadership and academic achievement in the Faculty of Media, Art, and Performance.

Solveig Lis Hovdestad, Bachelor of Music in Performance *with Great Distinction*

Solveig is an accomplished musician, a leader in the community, and an academic powerhouse. As a vocalist and section leader, she performs with the university ensembles: the Concert Choir, and the Chamber Singers. Solveig is also an accomplished violinist. She held the prestigious position of Concert Master for the University of Regina Orchestra for three semesters, and she is the "go-to" violinist for any university ensembles that require a violin soloist. Her leadership skills show as an executive function coach, helping undergraduate students with time management, scheduling, and study habits and she also serves her community as an English Tutor for ARRIVE, a Refugee Resettlement program in Regina.

Off campus, Solveig is also extremely active. She is in demand as a vocalist and violinist. Her performances as an alto soloist include Bach's *Magnificat*, Saint-Saëns's *Oratorio de Noël*, Vivaldi's *Gloria*, Bach's B Minor Mass, and Handel's *Messiah*. She has sung in the Aura Baroque Choir, the Halcyon Chamber Choir, and the Knox Metropolitan Chorus. As a violinist, she has played with the Con Fuoco String Quartet, the South Saskatchewan Youth Orchestra, and the Regina Symphony Orchestra, in which she currently holds the position of Utility Member.

W.A. RIDDELL AWARD IN MEDIA, ART, AND PERFORMANCE

The W.A. Riddell Award in Media, Art, and Performance is awarded to a graduate earning a first degree who has demonstrated exceptional artistic merit as well as academic achievement.

Samantha Louise Liamzon, Bachelor of Arts in Creative Technologies, Minor in Film Production, Certificate in Animation, *with Great Distinction, Campion College*

Samantha is a highly driven student and emerging artist working in 2D/3D animation, filmmaking, augmented reality, projection mapping, video game design, and graphic design. Samantha's art has been exhibited at Nuit Blanche, the Fifth Parallel, FROST, and the Cathedral Village Arts Festival. In 2026, she was awarded a Building Arts Equity grant from SK Arts.

As a research assistant with the Department of Creative Technologies & Design and the Humanities Research Institute, Samantha has worked on the U of R's 50th anniversary AR project, *Let's go fAR!*, and the HRI's *Let's Talk Research* podcast. Recently, Samantha joined a team of students collaborating with the Royal United Services Institute to create an interactive website for the Indigenous Veterans' Monument in Victoria Park. Samantha has also collaborated with the CBC Creator Network, a program that "amplifies the voices of the next generation of Canadian storytellers," to create a web documentary about her family's immigration journey and traditions.

FACULTY OF NURSING AND SCHOOL OF NURSING DEANS' MEDAL

The Faculty of Nursing and School of Nursing Deans' Medal is awarded to a graduate of the Saskatchewan Collaborative Bachelor of Science in Nursing (SCBScN) program receiving a first degree with a minimum average of 80%, who has shown leadership and commitment to extra-curricular activities while a student in the program.

Sara Jane Kozan, Bachelor of Science in Nursing *with Distinction*

Sara is graduating with Distinction from the Saskatchewan Collaborative Bachelor of Science in Nursing program, having achieved a cumulative grade point average of 83.42%. She maintained a term average between 79% and 84% throughout her time in the collaborative nursing program, demonstrating sustained academic excellence and a strong commitment to her studies.

Sara's undergraduate career reflects a remarkable balance of academic achievement, varsity athletics, leadership, and community engagement. Her record of scholarships and awards highlights her exceptional performance both in the classroom and in sport. Beyond these accomplishments, Sara has distinguished herself as a leader whose contributions have strengthened the University of Regina community. As captain of the Women's Track and Field team for three years, she fostered a culture grounded in accountability, encouragement, and inclusion, exemplifying professionalism, integrity, and the ability to inspire others.

COLLEGE OF REGISTERED NURSES OF SASKATCHEWAN GOLD MEDAL FOR EXCELLENCE IN CLINICAL PRACTICE

The College of Registered Nurses of Saskatchewan Gold Medal for Excellence in Clinical Practice is awarded to a graduate of the Saskatchewan Collaborative Bachelor of Science in Nursing program who demonstrates excellence in clinical practice by attaining the highest combined average in four required 300-level clinical courses.

Madison Linda Audrey White, Bachelor of Science in Nursing *with Great Distinction*

Madison achieved the highest program grade point average in her graduating cohort at 85.75%. She completed her required 300-level clinical courses with the highest average of 84.91%, which is an amazing accomplishment, underscoring her exceptional clinical competence and dedication to high quality patient care.

Madison's academic record is marked by consistent excellence. She received an entrance award, was named to the Dean's Honour List in Fall 2022, and was the recipient of the Academic Silver Scholarship in the Fall terms of 2023, 2024, and 2025. Her achievements reflect a strong work ethic, professionalism, and a deep commitment to the standards of nursing practice.

FACULTY OF SCIENCE DEAN'S MEDAL

The Faculty of Science Dean's Medal is presented to a student graduating with a first degree who has demonstrated both leadership and academic achievement in the Faculty of Science.

Aamina Tauqeer, Bachelor of Science Honours in Psychology *with High Honours*

Aamina is graduating with a program grade point average of 91.90%. During Aamina's time at the University of Regina, she earned term grade point averages over 90% for nine of her ten terms. In addition to her academics, Aamina made time to volunteer with a variety of organizations, where she frequently took on a leadership role. These include, but are not limited to, being Board Chair for Student Energy in Action for Regina Community Health (SEARCH), Co-President of NextGen Lifeline Canada, and Vice President of the Community Service Club.

In addition to her volunteer and academic studies, Aamina was actively involved in research. She was awarded both an NSERC summer research award and a University research award, which she completed under the supervision of Dr. Jennifer Gordon.

FACULTY OF SOCIAL WORK DEAN'S MEDAL AND UNIVERSITY PRIZE IN SOCIAL WORK

The Faculty of Social Work Dean's Medal is presented to student graduating with a first degree who has demonstrated both leadership and academic achievement in the Faculty of Social Work.

Darla Lynn Clancy, Bachelor of Social Work

Following a career ending work injury, Darla began her studies at the University of Regina, Saskatoon Campus. While balancing the responsibilities of raising five children and managing a physical disability, she remained engaged in academic, community, and cultural initiatives throughout her program.

As a member of the Social Work Students' Society, she obtained certification in Naloxone training and Applied Suicide Intervention Skills (ASIST) training. She also strengthened her professional knowledge by attending the Violence and Aggression Symposium and has taken on leadership roles in her coursework, fostering collaboration and peer support.

Committed to service, Darla volunteered extensively within her community, supporting organizations such as Prairie Harm Reduction, Family Service Saskatoon, and the Jim Pattison Children's Hospital. During her practicum placements, she developed and delivered programming, presented Naloxone training, and co-created a youth summer camp addressing service gaps for youth aged 12 to 15.

She has also actively supported Indigenous communities by participating in Missing and Murdered Indigenous Women and Girls (MMIWG) walks, attending Wanuskewin events, and completing Reconciliation Training.

Darla's compassion extends beyond her professional role, as she supports individuals navigating complex health and social systems, and advocates for vulnerable community members.

Darla is also the recipient of the **University Prize in Social Work** which is awarded to the most distinguished Social Work student achieving the highest-grade point average among students graduating with a first degree in the Faculty of Social Work.

ACADEMIC REGALIA

At Convocation ceremonies, the academic regalia worn by the graduates and the members of the platform procession may consist of a gown, a hood or stole (worn over the shoulders), and a hat or mortarboard. All universities have distinctive academic dress for each degree conferred and, at times, for the disciplines in which the degree is awarded.

With the exception of students graduating with a PhD and federated college students, graduates wear black gowns. PhD graduates wear a black velvet gown with green and gold trim and a black velvet tam with gold tassel.

Students graduating from the University of Regina who have been registered through a federated college wear the following: red gowns for Campion College students, sky blue gowns for First Nations University of Canada students, and royal blue gowns for Luther College students. Students are welcome to wear their Indigenous ceremonial dress, other cultural ceremonial dress, or their military or law enforcement dress uniform with, or instead of, the gown at the Convocation ceremonies.

The following is a list of the Undergraduate and Graduate degree hoods. With the exception of the Doctor of Philosophy hood, the first and second squares represent the colour of the outside and inside trim, or lining, respectively. The third square represents the colour of the decorative cord. The Doctor of Philosophy hood is black and royal blue velvet (traditional PhD colours) with inserts of gold and green satin (University of Regina colours).

CEREMONIAL FURNITURE

The three ceremonial chairs were a gift to the University of Regina from Dr. Terence R. McKague, who served as Chancellor from 1989-1995. The chairs were acquired from Carmichael United Church, Dr. McKague's boyhood place of worship. This ceremonial furniture is incorporated into all official ceremonial functions.

ORGANIZATIONAL STRUCTURE OF THE UNIVERSITY

The University of Regina is situated on Treaty 4 lands with a presence in Treaty 6 territory. These are the territories of the nêhiyawak (Cree), Anihşinapek (Saulteaux), and Dakota, Lakota, and Nakoda, and the homeland of the Métis/Michif Nation. Today, these lands continue to be the shared territory of many diverse peoples from near and far.

The University of Regina operates under the terms of *The University of Regina Act*. Convocation comprises the Chancellor, the Senate, all graduates of the University of Regina, all graduates of the University of Saskatchewan at Regina Campus, and such other classes of persons as the Senate may from time to time determine. Convocation meets twice annually, in June and November, unless there are extraordinary circumstances.

The Chancellor is elected by the members of Senate, holds office for three years, presides over Convocation, confers degrees and is *ex officio* Chair of the Senate and a member of the Board of Governors.

Senate is the University's "window on the world." It is concerned with the academic welfare of the institution and has a variety of duties and powers. Most of the broader issues of academic policy within the University are reserved for Senate's approval. In another role, it acts as an ultimate court in academic affairs. The membership of Senate includes persons *ex officio*,

or by virtue of the University offices they hold. Convocation elects another fourteen members of Convocation to the Senate. Students registered in the University elect six students of the University to Senate. In addition, any professional society, group or organization in the province that Senate believes contributes in a significant way to the social, economic and cultural welfare of the province may be represented on Senate.

The Board of Governors consists of eleven members and is responsible for overseeing the administrative and business affairs of the University. It ultimately has authority in matters related to the raising and spending of University funds, and the acquisition and management of University property.

Council's membership includes administrative officers, all Deans and directors of academic programs, all full-time members of the teaching staff, and a number of student representatives. All matters of substance related to the academic affairs of the University, as well as matters of academic discipline, must be considered and approved by the Council.

The Executive of the University of Regina Council (Executive of Council) has been empowered by Council to act on its behalf. Executive of Council membership is devised as a proportional basis of the academic composition of the University.

Disciplines that are related to one another in the broader areas of teaching are, for purposes of administrative and academic planning, brought together into Faculties, of which there are currently ten. Each Faculty is headed by a Dean; formal membership includes the Dean and the teaching members of the various associated disciplines. The Deans are recognized by *The University of Regina Act* as being the heads of their respective Faculties and are directly responsible to the President through the Provost and Vice-President (Academic). Subject to the statutes of the Senate and the University of Regina Council, each Faculty has charge of all matters of scholarship in its disciplines and programs.
