

University of Regina Teacher Education Application Profile

Before applying to the Faculty of Education, you will need to complete these sections of the Teacher Education Application Profile. Take the time to prepare your answers as the content is critical in the selection process.

First Name:

Last Name:

Date of Birth:

Relevant Experience

List relevant experiences including any employment, community, and/or extra-curricular school involvement in which you have participated. This should include your role, responsibilities and dates of involvement. The Faculty of Education is interested in your experiences with diversity, arts, interest/experience with social justice, and active lifestyle. Be sure to include any experiences working with children and youth.

Representation of relevant experiences can take the form of narrative, point form, or other, etc. in the space provided.

Personal Statement

Respond to one of the following in a format or genre of your choice. When responding keep in mind the program/major to which you are applying (maximum 350 words).

- a. Describe any experience and knowledge that may support you in becoming a teacher in diverse school communities (eg. Indigenous, new Canadians).
- b. Teaching is a moral and political act.

DÉCLARATION PERSONNELLE (Le BAC student only) Compte tenu que vous souhaitez enseigner en français dans des écoles d'immersion, fransaskoises et/ou de français de base, décrivez trois défis importants auxquels vous aurez à faire face dans votre enseignement. Décrivez des connaissances et des habilités dont vous aurez besoin pour surmonter chacun de ces défis. N.B.: Cette déclaration doit être rédigée en français et contenir de 400 à 600 mots.

If you are applying to the Secondary Education Program, answer the following questions:

1) Why have you chosen to apply to the Secondary (grades 9-12) Education Program?

2) Why have you chosen this major and minor subject area you indicated on your application form?

Diversity

The Faculty of Education welcomes diversity in its student body. If you believe your application should receive special consideration related to culture, race, disability, gender, socio-economic background or sexual orientation, you are invited to describe your circumstance(s). Your answer should be a maximum of 350 words.

References

Please provide three references who can comment on your relevant experiences.
