

Complete this form if you wish to have classes assessed/transferred from another post-secondary institution. Identify the courses that you have completed at your previous institution (one institution per application), and indicate the most likely equivalency. Please ensure the Registrar's Office has copies of all final official transcripts from previously attended institutions (as required for Admission). When submitting this form please ensure the following:

- 1. Please submit a full syllabus with your professors contact information, textbooks used, marks distribution; detailed lab information; we will not accept a class/calendar description or a course outline;
2. Syllabi must be from the class that you studied (not from another semester);
3. If requesting a transfer credit for engineering courses from a technical school please provide documentation that your instructor(s) are registered PEng or PGeol;
4. Ensure that you are only requesting transfer credits of classes you've received the UR equivalent of 60% or higher.
