OFFICE ETIQUETTE

As we approach a new semester, we want to remind students with office spaces about "office etiquette". All of the tips below are important to ensure a safe and welcoming environment for work and study. Of particular importance are the tips about keeping your voice and music quiet, and not bringing friends/family to your office space. This is for security/privacy reasons, and to keep noise levels to a minimum for other occupants and your neighbours.

If you no longer need your office space, please complete the exit inspection process:

https://www.uregina.ca/engineering/students/student-forms.html#fact_4_6

Do be a good shared office mate and be professional:

- Keep your cubicle space clean and tidy - keep your items within your cubicle space
- Keep sink, fridge, and kitchen area (if applicable) clean for shared use
- Sanitize and clean your cubicle space regularly
- Place food garbage/waste in hallway garbage bins, as they are emptied regularly
- **Keep your voice and music quiet - use headphones**
- Stay home if you are not feeling well
- Do not bring personal items
- Do not bring microwaves, hot plate or other cooking items for use in the office
- Do not leave open food that can cause odours or invite bugs/pests
- Do not remove chairs or filing cabinets
- Do not change your cubicle location without confirmation from the Engg main office
- Do not wear heavy scents or perfumes
- **Do not bring friends, family or others to your office**

GRADUATION PORTRAITS

If you are graduating in 2026 please contact Camera One Graduation Portraits to book an appointment.

Academic regalia is provided by Camera One. To book your appointment please go to www.Cameraone.ca under "Online Grad Signup", OR the direct booking site, <https://cameraonegrad.as.me>. There are In Studio and On Campus options - please check both.

If you are unable to come to Regina for a portrait session but still want to be on the Class Composite, please contact Camera One to discuss your options.

Camera One is the designated photographer for the Faculty of Engineering & Applied Science and prepares the Class Composite. Even if you are not located in Regina, you can contact them to make arrangements. There are many options for appointments, including the week of Convocation. Out-of-town Graduates coming to Regina are encouraged to sign up early to reserve a time for when you are here. If you have any questions, or have any issues booking please contact Camera One!
