

# May Newsletter 2023

Welcome to the month of May. Please read all the information we have for you!

Instagram: <https://www.instagram.com/uofrengineering>

Linked In: <https://www.linkedin.com/company/uofrengineering>

Facebook: <https://www.facebook.com/UofREngineering>

## **Important Dates:**

Spring classes – May 3-June 19. Drop day is May 9

Summer classes – July 4-August 17. Drop day is July 10

Spring/Summer classes (engineering only) – May 3 – July 31.

Victoria Day – May 23 – University Closed

## **Graduation Photos**

**Important Information for those students who have completed their degree in December 2022 or who will complete their degree in April, June, August this year.**

Graduation Portrait Photo Session

May 29, 30, 31 2023

Room 113, College West

8:00am-8:00pm (each day)

These sessions are for all Engineering grads and undergrads that will complete degree requirements in December 2022, or April, June, August 2023. You are encouraged to have your grad portrait taken for the graduating class composite that will be displayed in the Faculty of Engineering & Applied Science.

Please schedule your appointment on-line at: [www.cameraone.ca](http://www.cameraone.ca)

The photo session on-campus is \$30. The session is 15 min.

The photo session at Camera One is \$37. At the studio the session is 30 min.

Graduates that will be travelling from out-of-town to attend Convocation in June also have the option to book a session at the Camera One Grad Portrait Studio during Convocation week.

Gowns, hoods and collars will be provided by Camera One. It is best to wear a shirt without a collar.

Students unable to book an appointment for these days can call Camera One to schedule your individual photo session. Phone 306-533-3347.

### **Transfer credits**

Are you a new student coming from another university? We may be able to transfer your credits! Here's the link with all of the information that you need. <https://www.uregina.ca/engineering/students/forms/application-forms/transfer-request-form.html>

Please contact [Melissa.Berwald@uregina.ca](mailto:Melissa.Berwald@uregina.ca) directly for further information.

Registration for Spring/Summer and Fall 2023

Registration for Spring and Fall Classes in March! Remember to complete your registration before seats are full. See one of our Academic Advisors if you need assistance.

<https://www.uregina.ca/engineering/students/advising.html>

### **Academic Action:**

Academic action is assessed at the end of every term. Emails/Letters will be distributed to students once final grades are in. Please refer to the information below to familiarize yourself with academic action at the U of R.

**Probation:** A student is placed on probation if their UGPA has slipped below 60% and the student has 24 credit hours (8 courses) to raise to a 60%. If you have been placed on probation you will receive an email to your preferred email address.

**Continued Probation:** A student is placed on continued probation if their UGPA has not been raised to a 60% and courses continue to be counted toward the 24 credit hour maximum before MW (Must Withdraw). If you have been placed on continued probation you will receive an email to your preferred email address.

**MW (Must Withdraw):** If a student fails to raise their UGPA to 60% within 24 credit hours of going on probation they will be MW. This is a 12 month absence from campus. The ARP program may be taken. Courses taken at another institution during this time will not count for transfer credit. If you have received a MW you will receive an email to your preferred email address AND a letter to your mailing address.

**RTD (Require to Discontinue):** If a student fails a course 2 times and has a UGPA below 60% they will be RTD from the Faculty. This is an 8 month withdrawal from Engineering. The student can transfer to another Faculty or to the Academic Recovery Program. Courses taken during the RTD period at another institution will not be accepted as transfer credit. If you have received a RTD you will receive an email to your preferred email address AND a letter to your mailing address.

If a student 2 time fails a course and their UGPA is 60% or above they will not be RTD.

If a student fail a course for the 3<sup>rd</sup> time they will be RTD regardless of UGPA. If a student fails English for a 3<sup>rd</sup> it is an automatic 2 year MW.

If a student is MW for a second time it is an automatic 2 year absence from campus.

*Note:* A student will not be accepted back into Engineering from a RTD or an MW without a 60% UGPA. If a student has been RTD or MW more than once (or a combination of the two) their UGPA must be 65% to be readmitted to Engineering.

Please refer to the academic calendar for complete information regarding academic action.

You can book an appointment online at any time to discuss your academic action situation with Gina MacPherson.
