Facebook: <https://www.facebook.com/UofREngineering>

Program Sheets: <https://www.uregina.ca/engineering/students/student-program-sheets.html>

### Dates to Remember...

**October 2<sup>nd</sup>** – Deadline to submit scholarships

**October 9<sup>th</sup>** – Thanksgiving Day – University is closed

**October 20<sup>th</sup>** – Fall Convocation

**October 10-14<sup>th</sup>** – Fall Reading Week – No Classes

### **\*\*IMPORTANT\*\* Changes to Term 4 classes**

Previously, TERM 4 was being offered in Winter (January-April) and then again in Spring/Summer (May-Aug). This was to accommodate Coop students. Students going on their first Coop were able to choose to go out in Winter or in Spring. The Faculty is introducing changes to TERM 4 and it will affect when students go out on their first coop. Note that each Program has made specific changes to their course offerings for Spring/Summer Term 4.

### **Coop students:**

It is recommended that students register in Term 4 classes for Winter 2024 and take their first coop in Spring/Summer 2024.

If this is not an option for you, please be aware of the following changes to the Term 4 Spring/Summer 2024 term:

### **Non coop students:**

This change may affect your course planning if you are not following the Program Sheet and are taking less than 5 courses. We suggest you schedule an advising appointment to assist with course planning. <https://www.uregina.ca/engineering/students/advising.html>

### **Electronic Systems**

ESE will offer ENEL 282 only. (ENEL 281 will not be offered)

If you are an ESE student planning on a workterm in Winter 2024, you should also plan to take ENEL 281. It will be offered face-to-face on Tues/Thurs 5:30pm. No lab.

### **Industrial Systems**

ISE will offer ENIN 241 only. (ENIN 233 will not be offered)

### **Energy Systems**

ERSE will not offer ENER 203

### **Software Systems**

SSE will not offer ENSE 271

### **Environmental Systems**

EVSE students planning on a workterm in W24 there is no effect for you. ENIN 241 and non-engineering courses will be offered in Spring/Summer 2024

**ISE, SSE and ERSE students** - please be aware that if you choose to work in the Winter 2024 semester missing classes will likely affect your upcoming academic plan. Please see the Coop

coordinator to discuss your options. You can make an appointment with Diana online: <https://www.uregina.ca/engineering/students/advising.html>

### Registration for Winter 2024

Registration for the Winter 2024 (202410) term opens on Tuesday, October 3<sup>RD</sup>

You can now find the date that you are able to register (**TIME TICKET**) by logging-in to [UR Self-Service](#) - click Student - Registration - Check your registration status.

Day	Date	Cr Values
1	3-Oct-23	177 to maximum
2	4-Oct-23	141 to 176
3	5-Oct-23	124 to 140
4	6-Oct-23	112 to 123
5	10-Oct-23	106 to 111
6	11-Oct-23	94 to 105
7	12-Oct-23	85 to 93
8	13-Oct-23	76 to 84
9	16-Oct-23	71 to 75
10	17-Oct-23	63 to 70
11	18-Oct-23	54 to 62
12	19-Oct-23	46 to 53
13	20-Oct-23	40 to 45
14	23-Oct-23	35 to 39
15	24-Oct-23	28 to 34
16	25-Oct-23	16 to 27
17	26-Oct-23	15 to 15
18	27-Oct-23	13 to 14
19	30-Oct-23	10 to 12
20	31-Oct-23	1 to 9
21	1-Nov-23	Open Registration
22	2-Nov-23	UR Accelerated (HSXL) Students

Be sure to check the Registrar's Office [Registration and Withdrawal page](#) for more information and great tools like [Visual Schedule Builder \(VSB\)](#) to help you plan your classes for Winter 2024. Your Academic Advisors are available to help answer any questions you may have while planning your Winter 2024 term; book an appointment with one of us online (Zoom or face-to-face) <https://www.uregina.ca/engineering/students/advising.html>

**1<sup>st</sup> Year students! Get help with registration!**

October 4<sup>th</sup> and 25<sup>th</sup> 12:30-1:30 ZOOM

Scan here to join session!

October 3 <sup>rd</sup>	10:00-11:00	ED 489
October 5 <sup>th</sup>	2:30-3:30	ED 489
October 19 <sup>th</sup>	10:00-11:00	ED 489
October 19 <sup>th</sup>	2:30-3:30	ED 489
October 24 <sup>th</sup>	10:00-11:00	ED 489

\*\* October 26<sup>th</sup> @ 9AM RE open for those with 15 credit hours (5 classes)

**ENGG 140 Tutoring Available!**

Engineering is offering ENGG 140 tutoring through the Student Success Office.

Monday, October 2<sup>nd</sup> tutoring will be available for you to book. It is FREE for ENGG 140 students. Go one-on-one or go with a couple of friends!

Book your session online:

<https://uregina.mywconline.com/>

**Degree Audit and Program Sheets**

Degree Audit is accessed through UR Self-Service under the Academic Advising & Program Planning link. Degree audit is connected to the year you started your program. It does not reflect any of the changes that have been made since then. *Please* always check our website for program changes OR make an appointment with an Academic Advisor to ensure that you are taking the correct classes.

**Graduation Requirements:**

Upon completion of all program requirements (or final courses in progress), students are required to apply for graduation. Apply to graduate through [UR Self-Service](#). Before you apply go to the student's guide:

<https://www.uregina.ca/student/registrar/assets/docs/pdf/convocation/Student-Guide-Grad-App.pdf>

Janice Savoie does grad checks! Make an appointment with her or send her an email at [Janice.Savoie@uregina.ca](mailto:Janice.Savoie@uregina.ca)

Completion of classes	Deadline for Application	Approval by Executive Council	Convocation Ceremony
December	November 30	February	Spring
April	January 31	May	Spring
Spring/Summer session	July 31	September	Fall

### WHMIS Training for new students!

"Undergrad Mandatory WHMIS (Engineering)" is a required (but brief) online safety course for 'new' Engineering students. This includes new admissions, re-admissions, faculty transfers, and new exchange students.

**If you began classes in Spring/Summer 2023 or Fall 2023, this WHMIS course must be completed before registering in Winter 2024 classes.** Please check UR Courses now for this course (and if you're not enrolled, please contact me ASAP). Upon successful completion, your WHMIS certificate will be valid for 3 years. Make sure you download your certificate, as this will notify us of your completion.

Winter 2024 registration starts in October. **If a student does not complete WHMIS before their registration time ticket opens, a HOLD is placed on their account. Registration cannot be processed until WHMIS is complete.** Although the Faculty general office receives notification of your exam completion, it can take 1-2 business days to remove the registration hold. Please complete the exam and download your certificate well in advance of your registration date.

Note that we cannot accept WHMIS certificates from elsewhere (other employers, other faculties, etc.) - it must be from our faculty.

Thanks and enjoy the training!

Lauren [Lauren.Bradshaw@uregina.ca](mailto:Lauren.Bradshaw@uregina.ca)
