Important Information

Selection of a Major for students admitted to Engineering General in their first year:

- Application submission starts March 1.
- To apply for a major, general engineering students must have completed or be currently registered in 24 of 30 credit hours (8 of the 10 courses) from TERM 1 and TERM 2. The courses that must be included are ENGG 100, ENGG 123, ENGG 140 and ENGL 100.

Selection of Major form is on the faculty website: <https://www.uregina.ca/engineering/students/student-forms.html>

Social Science/Humanities Elective: Students may use ECON 100 as a social science/humanities elective if the course is taken before ECON 201.

Transfer credit for ENGL LV 100 may be used as a social science/humanities Elective.

BUS 260 is used as the prerequisite for BUS 250 and BUS 210 for engineering students only. Contact the Engineering General Office for registration assistance.

Credit received for STAT 100 and STAT 200 prior to joining the Faculty of Engineering will be accepted as three credit hours for STAT 289.

General engineering students cannot register in STAT 289; STAT 289 is available for students in their major.
