Parking and Transportation Services

All parking on campus is paid parking. Revenue generated from “user pay” fees provides the funding for parking operations, infrastructure construction & maintenance and related parking infrastructure expenses.

Several parking options are available to you, depending who you are and what your parking needs are.

Recent Improvements Include:

- added accessible plug-in parking in Lot 14.
- paved the entrances to Lots 7 & 8.
- added more parking stalls in Lot 13 in January 2017 for those living in residence.
- carpool stalls in Lots 1, 6, & 13. Hours were extended from 10 am to 10 pm.
- Lot 2 entrance moved to the west side to accommodate higher transit demands.
- Repaired failed plug-ins in Lot 4.
- 112 – 10 Hour parking meters were installed in Lot 14.

10-Hour Parking Meters

- 112- 10 Hour meters in Lot 14.
- You can plug the meter for up to 10 hours at once.
