** Student Health and Dental Plan - in the fall of 2002, the University of Regina Students’ Union (URSU) held a referendum in which the student body approved a mandatory health and dental plan for full time students. For the fall, 2007 semester, undergraduate students enrolled in 9 or more on-campus credit hours (excluding First Nations University of Canada students) are assessed an additional $194.50 URSU fee. The fee is collected by the University on behalf of URSU and remitted to URSU for the purpose of paying the Plan premium ($106.26 for health coverage and $88.24 for dental coverage). The fee is only assessed in the fall semester for health and dental coverage for 12 months beginning September 1. The Plan and the $194.50 fee are mandatory, but students can opt out of the health and/or dental coverage until October 1, 2007 if they provide proof that they already have health and/or dental coverage. Students first beginning classes in the winter semester can opt into the Plan in January, 2008.

Full Plan details are available on URSU’s web site at http://www.ursu.uregina.ca/.
