

Covid-related Registration Accommodation Options for Graduate Students for Spring/Summer and Fall 2020 terms

This flowchart is intended to help you to determine your best course of action for Spring/Summer and Fall 2020 registration. You are encouraged to consult your supervisor or academic advisor to help you decide the best course of action for you. A more indepth FAQ may be found [here](#). You may also email grad.studies@uregina.ca with questions about your individual situation.

† Students who have not registered for that last two semesters and are in danger of being required to discontinue are still required to register.

†† Please consult your external funders to verify funding terms of reference to determine whether full-time status is sufficient for qualification.
