How to Search University of Regina Graduate Scholarships/AWARDS in GAP:

If you are not a Graduate Student at the University of Regina yet and you would like to see what we have to offer for Scholarships/Awards, you can login as a Guest and view the Scholarships/Awards that we offer. Go to the GAP homepage now to follow along. Click on Continue as Guest.

This will take you to a listing of All Awards that GAP has to offer. To search an award, look at the column, Scholarship Name, on the left hand side of the page.
Clicking on the blue **Scholarship Name** will take you into the Award Eligibility screen.

To see **Awards Currently Accepting Applications**, you can also click on the **house** at the top left hand side of the screen. It will take you to a page where you can click on the icon **Awards Currently Accepting Applications**. This allows you to see the scholarships that are currently accepting applications. You must have a graduate student account setup in order to apply. Please see the instructions on **How to Register**, to setup your student profile.
When you are looking through the Search All Awards or Awards Currently Accepting Applications screens you can search different ways through the awards.

To look for awards by Faculty, click on the Search filed and type in the Faculty name. It does not need to be the full Faculty name for example for Faculty of Engineering & Applied Science put in Engineering then click on Go.

It will then show you awards that are only for students in the Faculty of Engineering & Applied Science. Please know that even if you are an Engineering student you will still need to meet all of the criteria listed in the Eligibility Screen in order to apply.

Another way to search is by using the column headers along the top of the list of scholarships. You can click on a column to search scholarships by that column.

For example you can click on the Female header and choose YES if you would like to search for awards that apply to Female’s only.

This is the same for the Indigenous column header. You can click on the Indigenous header and then choose YES if you would like to search for awards that apply to Indigenous people.
