

Graduate Letter of Intent:

Please provide details on the topics below. Once completed, save as pdf and attach with the online application.

You can attach additional pages as pdf if you do not have enough room to answer the questions.

Il est fortement recommandé aux candidat.e.s aux programmes de français (c.-à-d. ceux offerts par La Cité et la Faculté d'éducation) de rédiger leur lettre d'intention en français.

1. Please describe your specific area of academic interest, and explain what motivated you to choose this area.
Veuillez décrire votre domaine d'intérêt académique, et expliquer ce qui vous a motivé.e à choisir ce domaine.

2. Describe how your past education, professional and other experiences have prepared you to be successful in this graduate program.

Décrivez comment les études antérieures, les expériences professionnelles et autres contribueront à votre réussite dans le programme choisi.

3. Describe what you hope to achieve in this graduate program.
Décrivez ce que vous souhaitez accomplir pendant le programme.

4. Describe why this particular graduate program at University of Regina may help you fulfill your long term aspirations/objectives.
Décrivez pourquoi l'acceptation à ce programme particulier à l'Université de Regina pourrait vous aider à réaliser vos aspirations/objectifs à long terme.

5. Applicants to Journalism:

- a. Provide a Statement of Ability that demonstrates existing skill, experience and resources you bring to the project, as well as what areas you would like to advance/improve in the course of the project.

- b. An additional Statement of Interest that answers why you want to do the project, and who it will serve.

6. Applicants to Masters of Health Information Management (MHIM):

- a. An essay of no less than 500 words describing your motivation to pursue a graduate degree in Health Information Management, the skills that will help you complete the program, and your career goals connected to this degree.
