

Safety Stuff for Everyone

Whether you're Faculty, staff, or student Health & Safety has something for you! Get informed, get involved, and help keep our University safe.

HEALTH & SAFETY ORIENTATION

Covers basic safety info everyone should know. Self-enrol and complete in under an hour!

SIGN THE SAFETY CHARTER

Faculty & staff: show your commitment to safety on campus. Take a moment to read and sign.

RISK ASSESSMENT COURSE

Learn how to identify, evaluate & reduce risks in your activities. Has step-by-step examples and practical tools.

FIRE EXTINGUISHER WORKSHOP

Learn how to use a fire extinguisher using our Bullex fire simulator.

SAFETY FOR SUPERVISORS COURSE

Supervising staff, students, or research teams? This course makes your legal responsibilities easy to understand and gives you helpful strategies to handle them with confidence.
