

Students Participating in Work-Integrated Learning Assignment (Saskatchewan) Saskatchewan Workers' Compensation Board (WCB) Coverage

Student registers within Faculty for Work-Integrated Learning Assignment

Faculty provides host institution with:	1. Student Work/Practicum Placement Health & Safety Checklist (host institution completes and returns to Health and Safety/UofR). 2. WCB Work-Integrated Learning Fact Sheet
Faculty provides student with:	1. Safety and Your Cooperative/Practicum Work Experience Information Sheet (Health and Safety) 2. WCB Integrated Learning Fact Sheet 3. WCB Consent and Waiver of Liability (completed by student and submitted to/retained by faculty)

1. Student seeks appropriate medical treatment.
2. Student informs practicum supervisor as soon as possible and completes both the host institution and UofR Incident Report Form .
3. If the reported injury required medical attention: • Employer Report of Injury form is completed by host institution and submitted to WCB. • Worker's Report of Injury form is provided to student by host institution to complete and submit to WCB.
4. A copy of the Employer's Report of Injury (E-1) and Worker's Report of Injury (W-1) must be provided by the host institution to the faculty office.
5. WCB adjudicates the claim for benefits and works with the injured student to ensure all eligible benefits are received.
6. Host institution notifies WCB when student has returned to practicum after injury.
7. Health and Safety (UofR) follows up with student and host institution, as required, to discuss mitigation measures for injury prevention.
