Upcoming Events  
in November &  
December

Early Admission  
Days for High  
School Students

High School  
Admission  
Requirements

Hi **[[Contact.FirstName]]**,

We wanted to send a quick reminder for some upcoming events and highlight some newly-added events! Please contact us if you or your students have any questions.

The **Early Admission Days** special application period starts next week! If your students needs help with the application or enrolment counselling, please encourage them to attend one of the following:

- [Early Admission Days Application Workshop](#) on Tuesday, November 23
- [Application Help Drop-in Session](#) on Wednesday, November 24
- [Enrolment Counselling](#)

Students must submit their online application, send in their unofficial transcripts, and application fee by November 30, 2021 to be eligible.

Unofficial transcripts can be sent to: [enrolment.services@uregina.ca](mailto:enrolment.services@uregina.ca).

**Please note:** The "High School Early Admission" and "High School Early Admiss-Ed" Application Types will only be available on the online application from November 23-30, 2021.

## Campion College's Pre-Professional Studies Q&A

November 30

Pre-Professional programs can cause a lot of confusion with both students and parents. There are many questions like:

- What is a pre-professional program?
- What are the pre-requisites for my program?
- How do I prepare for two or three professional programs?

Answers aren't always as straightforward and easy to understand as you would expect!

There are rigid course requirements for some professional programs, and other professional program course requirements can be very flexible. Not to mention the additional requirements that can include interviews, standardized tests, volunteer experience, reference letters, personal statements, and more!

During the session students will learn:

- How Campion College will help plan academics to meet program requirements;
- The additional Pre-Professional Programming that Campion offers its students to prepare for the application process;
- Financial supports, such as the Campion College Pre-Professional Scholarship;
- Advice on student success;
- Plus plenty of time to ask your questions and have them answered.

Have some questions about the event? Email [campion.recruitment@uregina.ca](mailto:campion.recruitment@uregina.ca).

**Date:** November 30, 2021

**Time:** 6:30 PM [CST](#) (Regina, SK local time)

**REGISTRATION**

## What is Engineering?

December 9

What IS Engineering anyway?! Come find out!

The University of Regina Faculty of Engineering welcomes you to our annual **What is Engineering Day** for all high-school students on Dec 9th at 3:45. This virtual event will be hands-on, and interactive. You will hear from current students, engineers in the field, and U of R engineering professors. We encourage teachers or guidance counsellors to host the livestream in their school where students can attend together (the event requires collaboration and teamwork).

Prizes will be awarded to the school that hosts the most students. All questions regarding the event can be directed to [kevina.mullock@uregina.ca](mailto:kevina.mullock@uregina.ca).

**Date:** December 9, 2021

**Time:** 3:45 PM [CST](#) (Regina, SK local time)
