JUMP-START YOUR CAREER

The Local Government Administration Certificate programs give you an introduction to local government practices and knowledge to successfully carry out the responsibilities of a local government administrator. You will expand your understanding about how local governments fit into the democratic system and how municipalities operate.

THIS PROGRAM IS FOR YOU

With the LGA Certificates you'll gain the opportunity to explore career options in the diverse field of local government and municipal administration. Courses are flexible to fit into your busy lifestyle. Take them online or in one-week intensive formats.

These certificates are recognized as education requirements for RMAA and UMASS certification. The LGA program is the educational requirement for a Class C Certification.

Take the Advanced LGA Certificate to enhance and expand your skills and knowledge to meet the opportunities in municipal administration for the Superior A Certification. LGA and ALGA students may apply their courses towards a Bachelor of Arts degree at the University of Regina.
