NEW THIS YEAR

CENTRE FOR EXPERIENTIAL AND SERVICE LEARNING

We believe that learning is best accomplished hands-on. That is why we will help your students find valuable work experience through Co-op work placements/internships. We will also develop their volunteer experience in their area of study by getting involved on-campus and within the community. We are proud that our students' graduate career-ready and are prepared to make a real difference — to contribute to individual, social, economic, and environmental well-being in their communities.

FACULTY OF ARTS / FACULTY OF SCIENCE CERTIFICATE IN FORENSIC PSYCHOLOGY

Forensic psychology applies a body of psychological knowledge and research to the criminal justice system. This certification would be of interest to current students in the Humanities, Social Sciences, Social Work, Science, Kinesiology and Health Studies, Justice Studies, Police Studies, and Pre-Law students – really any discipline that touches on the legal system. The certificate is designed to be taken in conjunction with other U of R programs due to course prerequisites, not as a stand-alone program.

FACULTY OF ARTS CERTIFICATE IN QUEER, TRANS, AND GENDER STUDIES

This short, 6-course certificate combines all the courses offered across the Department of Gender, Religion, and Critical Thought that provide an area of study for students seeking 2SLGBTQI+ knowledge and training. This certificate is a great addition to any degree and for any individual who will work in service to the public! The certificate is designed to be taken in conjunction with other U of R programs due to course prerequisites, not as a stand-alone program.

FACULTY OF MEDIA, ART, AND PERFORMANCE DIPLOMA IN CREATIVE TECHNOLOGIES

This two-year diploma program provides students with the ability think about technology and the arts in new ways, while working with and studying new media. This includes a variety of courses from the areas of fine arts, computer science, with additional theoretical material drawn from media and communications studies. This diploma can be a transition into the four-year Bachelor of Arts in Media, Arts, and Performance (Creative Technologies).

PAUL J. HILL SCHOOL OF BUSINESS BUSINESS QUALIFYING PROGRAM

Students may be admitted into the Business Qualifying Program if they meet the high school admission average requirement (70%) and are missing no more than one of the high school course requirements. Students who are admitted in the Business Qualifying Program must complete the missing high school course or approved post-secondary equivalent course within the first 30 credit hours of their program.

STUDENT AWARDS & FINANCIAL AID

We want to help students pay for school! Last year we awarded more than \$7.3 million in scholarships and bursaries to students. We have many automatic entrance awards as well as scholarships and bursaries that students can apply for using SAMS, our online student awards management system.

AUTOMATIC ENTRANCE AWARDS

We have five automatic entrance awards, which are calculated based on the student's early conditional admission average. Students applying directly from a Canadian high school or is a Canadian Citizen applying direct from a foreign high school would be eligible for the following automatic entrance awards:

★ DEADLINE FOR AUTOMATIC ENTRANCE AWARDS: MARCH 15 ★

SCHOLARSHIP APPLICATION WORKSHOPS

We offer workshops on campus designed to help students navigate through Student Awards Management System (SAMS) in February and March. SAMS is the database that contains our Application Required Scholarships, including the U of R Chancellor's Scholarship. Here are the current in-person and virtual workshop offerings:

- Tuesday, Feb 13In-Person
- Wednesday, Feb 22Zoom
- Thursday, Feb 23In-Person
- Thursday, Mar 7Zoom

We can come do a scholarship application workshop at your school too! Contact your recruiter or email [enrolment.services@uregina.ca](mailto:enrolment.services@uregina.ca) for us to set something up!

VISIT US!

Just like grandma's house, everyone is always welcome here! Stop by anytime to scope out our campus and get a feel for what it is really like to be a student at the University of Regina.

CAMPUS TOURS

Get the inside scoop on campus life and enjoy a tour from one of our current students. Check out housing options, classrooms, sports facilities, and more! Feel free to stop by solo, with friends, or family.

ENROLMENT COUNSELLING

There's a chance your students will have a lot of questions about university. That's why we have experienced (and pretty darn friendly) Enrolment Counsellors. They'll meet one-one-one, answer questions, and even do a walkthrough of the application process!

★ FALL OPEN HOUSE – OCT 13, 2023 ★

Our Fall Open House gives high school students and their families a great opportunity to tour our campus and housing options, meet other future students, and ask current students about what life at U of R is all about. Apply online from Oct 2-10 for half-price and pick up your application decision at the event! Or apply at the event on Oct 13 for half-price and receive your admission decision that same day. \*

\* Students who apply for Nursing, Indigenous Education, or Music Education are not eligible to be admitted on the spot but can still take advantage of the discounted application fee.

LIVING ON-CAMPUS

U OF R HOUSING

University brings many firsts, but living only a few minutes' walk away from classes and other university amenities will help lessen some of the added stress that moving away from home may cause. From private dorms to apartments, we have a variety of housing options for students to choose.

We know it can be intimidating being new to campus, so we want to make sure our students have a great experience! With our UR Priority Program, all first-year students living on campus are going to live together in Křšik Towers, so they can make friends and feel like they are at home away from home.

One of the most exciting parts of UR Priority is the UR Priority Centre. Right at their doorstep, students will have access to meet with academic advisors, tutors, take a writing workshop, talk to a counsellor, volunteer on campus, find social events, and a whole lot more!

THE STUDENT VILLAGE AT LUTHER COLLEGE

Another option for living on campus is the Student Village at Luther College, which provides a vibrant and supportive community. Students grow as people and academic thinkers in our safe and affordable environment — living in residence is an incredible opportunity for them to develop friendships easily, connect with professors, increase their academic success, and focus on their personal development. Simply put, life is better with community!

ADMISSION ON THE SPOT & HALF-PRICED APP WEEKS

Your students don't have to refresh their inbox for their acceptance letter. Our Admission on the Spot allows students to apply in person and, for most programs, find out if they're accepted right on the spot.\* They simply need to bring their transcripts and application fee.
