Call 911 for fires, crime in progress, violence, or medical emergencies. If you are calling from a U of R land line phone just dial **911**, then call Campus Security at 306-585-4999.

When you hear a fire alarm:

- Follow the directions of Emergency Wardens (orange vests), and Campus Security.
- Immediately proceed to the nearest available fire exit and leave the building.
- Close the door if you are the last person out.
- **Do not use elevators during an evacuation.** If you or someone else is unable to evacuate down the stairs:
 - Ensure that you/they take shelter on the landing of a fire exit stairwell.
 - All inside fire exit stairwells are places of refuge which will provide at least one hour fire protection when all doors are closed.
 - Immediately notify Campus Security or the Fire Department of the location of the person.
- Upon exiting, move a safe distance away from the building.
- Do not re-enter the building until the Fire Department or Campus Security gives clearance.

Other emergencies:

- In the event of emergencies other than a fire (for example: tornado, chemical spill, or armed intruder), the Emergency Notification System (ENS) will be activated
- A message will be broadcast on beacons, computers, and building speaker systems across campus
- Follow the instructions as communicated via the ENS
- Check for situation updates as they become available on the U of R Emergency Webpage at <http://www.uregina.ca/emergency/>
- Download the ENS software to receive ENS alerts to your computer
<http://www.uregina.ca/emergency/ens/index.html>
