Read these descriptions to ensure you book an appointment for the correct service or program.

**Conversation 1-on-1**
Duration: 30 mins

Conversation 1-on-1 is a great way to get to know your fellow students and practice speaking in the English language. Our volunteers are always excited to meet new students and talk about what living in Canada is all about!

This program serves to connect students in a social setting and is not an academic service. To receive academic support, please book an appointment with an English Coach or specialized Tutor or Study Assistance volunteer.
