University of Regina international students have a desire to learn more about themselves, the world and everything in it. Study in an academic environment that encourages creativity, innovation, and new experiences. Open yourself to exciting new personal development. Meet interesting people from diverse backgrounds and cultures. Make friendships that last a lifetime. Experience alternative ways of thinking, and learn from others as they learn from you. Discover a future filled with possibilities for you and your career. Enjoy all of these things with the constant support of UR International.

www.uregina.ca/international
ABOUT CANADA
Canadians are known across the world as friendly, welcoming people who love to learn about different cultures. Canada welcomes more than 150,000 international students each year and spends more per capita on its education system than most countries. Our multicultural heritage means life here is diverse and exciting.

ABOUT SASKATCHEWAN
With its growing population, booming economy and exciting future, Saskatchewan is a place where you can enjoy life and succeed. Located in the centre of Canada, Saskatchewan is a great starting point to explore the whole country. Direct flights from Regina International Airport can take you to most major Canadian cities.

Experience the natural beauty of Saskatchewan by taking a road trip to discover the majestic lakes in the plains of the south and the deep forests of the north. And take a break from your studies to enjoy camping, fishing, hunting, swimming, canoeing, and hiking at pristine lakes just outside of Regina. Fishing in Saskatchewan is among the best in the world, and you can see an abundance of wildlife. In winter, enjoy snowboarding, skiing, skating, and hockey as the snow falls around you.

WE WELCOME THE WORLD
Regina is your home away from home! It’s safe and affordable, and provides a high standard of living.

🔥 1.16
Million people live in Saskatchewan

💰 4th
Highest salaries in Canada earned by Saskatchewanians

📊 6%

A UNIVERSITY IN THE HEART OF THE CITY

In 2017, MoneySense magazine ranked Regina as one of the top 3 cities in Canada for new Canadians to live. Enjoy discovering the sights, sounds, and activities that this city has to offer.

ABOUT THE CITY OF REGINA

Regina is the capital of Saskatchewan. In 2017, MoneySense magazine ranked it as one of the top 3 cities in Canada for new Canadians to live. With its diverse and growing population of over 240,000, Regina mixes the cultural amenities and employment opportunities of a large city with the friendly, community feel of a smaller urban centre.

ABOUT THE UNIVERSITY OF REGINA’S SITE

The University of Regina is nestled in Wascana Park, one of the largest urban parks in North America. Imagine attending a university surrounded by natural beauty (including a lake) and kilometres of walking and bike paths.

Nearby are coffee shops, restaurants, and grocery stores where you’ll find products from many cultures (a taste of home!). Downtown Regina, with its many stores and restaurants, is an easy bus, bike, or car ride away.

In summer, you’ll find the Regina Folk Festival, outdoor movies, and other exciting events. Regina is a city where newcomers find a real sense of home.

EASY TO GET AROUND

5 minute walk from campus to nearby restaurants and stores.
10 minute drive from the Regina International Airport to the U of R.
15 minute bus ride to the shopping, culture, and festivals of downtown Regina.
20 minute bike ride to larger grocery stores, movie theatres, and malls.

In Regina, our main campus and historic College Avenue campus occupy 239 acres and provide an attractive study and work environment for our students, faculty and staff.
UR INTERNATIONAL – STUDENT SERVICES

UR International is your first point of contact as an international student at the University of Regina. UR International Student Services assists all international students with building a strong foundation for academic success. From the moment you are accepted and throughout the entire duration of your program, we provide personalized support and guidance in your academic journey.

LIFE-SKILLS ADVISORS
Our Life Skills Advisor team is comprised of specialized staff who speak a variety of languages and are available to assist and support you throughout your time as a U of R student. Our wide range of services and programs will help you to transition to life in Canada with ease.

EMERGENCY TELEPHONE
If you have an emergency, you can reach us at our toll-free number 24 hours a day, 7 days per week – guaranteed!

IMMIGRATION GUIDANCE
We are dedicated to ensuring that you maintain your status in Canada. We will help you to understand how to legally maintain your immigration documents.

GLOBAL LEARNING CENTRE
The Global Learning Centre provides several programs and services which support international students with their academic and non-academic needs.

- Peer Advisor Program – Peer Advisors are ready to assist and provide valuable support to new international students
- English Coaching – daily one-on-one English language support
- Conversation Club – group conversation practice and social activities for adjusting to life in Canada
- Study Assistance – daily assistance for various subjects and classes
- Academic Workshops and Classes – educational workshops and classes tailored to help students succeed in their studies

SASKATCHEWAN HEALTH SYSTEM ASSISTANCE
Our office will explain the local health system to you: how to apply for a Saskatchewan health card, the health coverage options available to you, and what we offer our students on and off campus.

AIRPORT WELCOME
We will greet you at the Regina International Airport and assist you with navigating the local transportation systems and make sure you reach your new residence.

ORIENTATION
At Orientation, you will learn everything you need to know to navigate life at the U of R, and you will have several opportunities to meet other U of R faculty and staff (including the UR International team), as well as make new friends.

STUDY PERMITS
To find information on how to apply to come to the University of Regina as an international student, please review the following Immigration, Refugees and Citizenship Canada (IRCC) website: www.canada.ca/en/immigration-refugees-citizenship/services/study-canada.html

STUDYING AND WORKING IN CANADA
It is possible to work while you study. Several programs and services which help you qualify for permanent residence.

After you graduate from your program of study at the University of Regina, you may be eligible to work in Canada. The work experience you gain while working may help you qualify for permanent residence. For more information, please review the following IRCC website: www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/work/after-graduation.html

GRADUATE RETENTION PROGRAM
International students who are considering making Saskatchewan their permanent home after graduation may wish to consider the Graduate Retention Program: www.saskatchewan.ca/residents/education-and-learning/graduate-retention-program

Currently, the Graduate Retention Program is designed to support eligible applicants who file Saskatchewan income tax returns with tax rebates up to $20,000 on tuition fees paid. This is another great reason to join the Saskatchewan community permanently after you complete your studies at the University of Regina.

SASKATCHEWAN IMMIGRANT NOMINEE PROGRAM
Saskatchewan is one of the best places in Canada to make a life and to call home. The Saskatchewan Immigrant Nominee Program (SINP) is your gateway to immigrating to Canada: www.saskatchewan.ca/residents/moving-to-saskatchewan/immigrating-to-saskatchewan

Saskatchewan’s economy remains one of the best reasons for international students to consider permanent residency in the province. According to the Bank of Montreal, Saskatchewan’s economic outlook remains positive, with growth in the forecast: https://newsroom.bmo.com/2019-02-05-BMO-Blue-Book-Canadian-Businesses-Investing-for-Growth-As-Economy-Begins-to-Moderate

From engaging employment opportunities to affordable housing, Saskatchewan continues to offer a bright future to those seeking new horizons. As a University of Regina student, you will have the opportunity to discuss with UR International about what’s available to international students seeking a permanent life in Saskatchewan.
Enhance your degree! Complete a Combined Major in Economics and History.

**HUMAN JUSTICE**
**BACHELOR OF HUMAN JUSTICE**
Fosters an in-depth understanding of criminal and restorative justice, social and economic justice, human rights and relevant human services. Acquire skills in analytical and critical thinking and human service intervention. Two semesters of professional experience in second and fourth years of study.

EL: Practicum required

**INTERNATIONAL STUDIES**
**BACHELOR OF ARTS**
Integrate international and regional studies to explore global processes and structures that connect and affect countries around the world.

Concentrations: Asian Studies, European Studies, Development Studies or International Affairs.

EL: Co-op

**JOURNALISM**
**BACHELOR OF ARTS**
Study the history of journalism, media convergence and ownership trends, as well as Aboriginal issues in journalism.

Learn newspaper and magazine writing, television and radio news and documentary production, digital editing and desktop and internet publishing.

EL: Internship

Students spend a semester on an internship in a radio, television, newspaper, magazine or internet newsroom.

**LINGUISTICS** (**INDIGENOUS LANGUAGES & LINGUISTICS PROGRAM**) **BACHELOR OF ARTS**
Linguists concern themselves with the structure of language: all forms of human language and the search for the patterns of sound, word-form, phrase structure and meaning that underlie language we use.

EL: Co-op

Luther Must linguistic courses do not require fluency in another language.

**PHILOSOPHY**
**BACHELOR OF ARTS**
Study classic philosophers such as Aristotle and Plato, and explore the influential and world-changing ideas of Descartes, Marx, and Rousseau. Learn to challenge and question the world we live in, re-evaluate the everyday and theorize about different belief systems.

EL: Co-op

**PHILOSOPHY, POLITICS AND ECONOMICS**
**BACHELOR OF ARTS**
Draw upon three disciplines to examine today’s challenges using this interdisciplinary lens. Not only will you learn to identify these challenges, you will develop the knowledge and skills that could help solve them.

EL: Co-op

**POLICE STUDIES**
**BACHELOR OF ARTS IN POLICE STUDIES**
Professional path: complete three years of academic study followed by one term at the Saskatchewan Police College and a one-term internship with a police service. Academic path: complete all four years of academic study in the Department of Justice Studies focusing on theoretical and applied knowledge.

EL: Practicum required

The Bachelor of Police Studies is a unique degree offering two programs of study: a professional path and an academic path.

**PSYCHOLOGY**
**BACHELOR OF ARTS**
Why do we behave the way we do? Learn how people relate to each other and the world around them, while also learning about yourself. Psychologists tackle an array of questions about what makes us human.

EL: Co-op

**RECOMMENDATION**
**BACHELOR OF ARTS**
Explore the astonishing diversity of religious practices and beliefs around the world. Look into the sometimes-surprising origins and explanations of the myths, rituals, and symbols of different peoples.

EL: Co-op

**INTERNATIONAL LANGUAGES (CHINESE, GERMAN, JAPANESE, SPANISH)**
**BACHELOR OF ARTS**
Open the gateway to languages and cultures. Broaden your perspective on values and cultural traditions that are influential across the globe with courses focusing on language, religious beliefs, and cultural awareness.

EL: Co-op
RESOURCES AND ENVIRONMENTAL STUDIES
BACHELOR OF ARTS
Learn about resource and environmental legislation, resource management, contemporary environmental issues, and environmental and community health. Explore how these topics affect Indigenous peoples, cultures and histories.

* Must first complete Sask Polytech’s Resource and Environmental Law Diploma.

EL: Co-op

FACULTY OF BUSINESS ADMINISTRATION

ACCOUNTING
BACHELOR OF BUSINESS ADMINISTRATION
Learn accounting theories and practices in an applicable way. Gain experience with managerial, financial, and cost accounting practices, and learn how to prepare and analyze financial statements.

EL: Co-op

ENTREPRENEURSHIP
BACHELOR OF BUSINESS ADMINISTRATION
Prepare business plans and develop an understanding of venture capital and angel investing.

EL: Co-op

FINANCE
BACHELOR OF BUSINESS ADMINISTRATION
Analyze and interpret financial information to make money-handling decisions. Examine financial concepts, theories and analyses, understand financial markets, identify and analyze the risk to implement and manage resource allocation strategies.

EL: Co-op

HUMAN RESOURCE MANAGEMENT
BACHELOR OF BUSINESS ADMINISTRATION
Learn to design and implement human resource strategies required to attract and retain highly qualified employees. Explore staffing strategies, current recruitment trends and challenges, organizational analysis, management of a diverse workforce, and proper application of conflict resolution skills.

EL: Co-op

INTERNATIONAL BUSINESS
BACHELOR OF BUSINESS ADMINISTRATION
Apply a global perspective to business management and develop an understanding of international trade and the international monetary system. Learn about multinational business operations, economic integration, and international business relations.

EL: Co-op

MANAGEMENT
BACHELOR OF BUSINESS ADMINISTRATION
Become an expert in business management theory and practice, organizational behaviour, operations management, communications, and overall management decision making. Learn how to develop and implement organizational strategies.

EL: Co-op

MARKETING BACHELOR OF BUSINESS ADMINISTRATION
Develop research skills and the ability to predict consumer behaviour. Create and implement marketing strategies, understand consumer buying behaviour and strategically align products with the right market for public and non-profit organizations.

EL: Co-op

FACULTY OF EDUCATION

EDUCATION - ARTS
BACHELOR OF EDUCATION
Prepares graduates to teach arts education from Kindergarten through Grade 12. Gain tools to plan and lead artistic experiences for individuals and groups of diverse backgrounds, assess learning levels, and collaborate with other leaders.

EL: Internship

Direct-entry program/competitive; Change: 4-year program

EDUCATION - BACCALAUREAT EN ÉDUCATION ÉLEMENTAIRE/SECONDAIRE
BACHELOR OF EDUCATION
Prepares students to work in elementary or secondary level Francophone or French immersion schools. Students spend second year at Université Laval in Quebec City.

EL: Internship

Direct-entry program/competitive; Université Laval for second year.

EDUCATION - ÉDUCATION ÉLÉMENTAIRE VOIE FRANÇAIS DE BASE
BACHELOR OF EDUCATION
This program has an orientation towards teaching at the secondary level. Major area is French, minor is required.

EL: Internship

Direct-entry program/competitive

EDUCATION - ÉLÉMENTAIRE
BACHELOR OF EDUCATION
Broad-based program that prepares school professionals to teach core curriculum subjects, including: arts education, health, language arts, mathematics, physical education, science, and social studies at the Pre-Kindergarten to Grade 9 level.

EL: Internship

Direct-entry program/competitive

EDUCATION - INDIGENOUS (ELEMENTARY AND SECONDARY)
BACHELOR OF EDUCATION
FACULTY OF EDUCATION
Holistic First Nations teaching perspective prepares students for both the elementary and secondary levels. Specific courses designed to introduce teachers to unique needs of First Nations students.

EL: Internship; FC: FNUniv

EDUCATION - SASKATCHEWAN URBAN TEACHER EDUCATION PROGRAM (SUNTEP)
BACHELOR OF EDUCATION
Incorporates native studies and cross-cultural education with a solid foundation in the mechanics of teaching while spending a substantial amount of time with teachers and their students in mostly urban schools.

EL: Internship

EDUCATION - SECONDARY
BACHELOR OF EDUCATION
You will be required to identify a major and minor area of focus. Majors: Biology, Chemistry, English, General Science, Health, Mathematics, Physical Education, Physics, and Social Studies. Minors: Arts Education, Dance, Drama, French, General Science, and Outdoor Education.

EL: Internship

Direct-entry program/competitive

EDUCATION - SECONDARY (ART HISTORY)
BACHELOR OF EDUCATION
This program results in a liberal arts degree where you will focus on media studies while developing skills in critical thinking, analysis, problem solving, decision making, and communication. You will also study the history, theory and analysis of film, television, and video production.

EL: Professional Placement Program

FILM PRODUCTION BACHELOR OF FINE ARTS/POST-BACCALAUREATE DIPLOMA IN FILM PRODUCTION

The Film production program is the only degree program of its kind between Toronto and Vancouver! The post-baccalaureate diploma program is a unique option for those who already have a degree.

FACULTY OF ENGINEERING & APPLIED SCIENCE

ENGINEERING - ELECTRONIC SYSTEMS
BACHELOR OF APPLIED SCIENCE
Focuses on analog and digital electronics with specialization streams in instrumentation and control, telecommunications, microelectronics, and power and energy. Software and computer-related courses are part of the program, allowing students to develop greater software and hardware abilities.

EL: Co-op, Internship

ENGINEERING - ENVIRONMENTAL SYSTEMS
BACHELOR OF APPLIED SCIENCE
Plan, design, and evaluate solutions to environmental problems in the areas of water resource systems, regional infrastructure systems, waste management, and air pollution.

EL: Co-op, Internship

ENGINEERING - INDUSTRIAL SYSTEMS
BACHELOR OF APPLIED SCIENCE
Designed to develop engineers who can organize and effectively utilize the total resources of modern manufacturing and process industries. This includes the materials, machinery, facilities, people, and capital.

EL: Co-op, Internship

ENGINEERING - PETROLEUM SYSTEMS
BACHELOR OF APPLIED SCIENCE
Evaluates, designs, and manages technologies in evaluating reserves, surface collection, and treatment facilities for oil and gas. Advanced computer utilization and automation combined with effective communications skills are integrated within the program. Techniques developed for the recovery of petroleum can be applied to the extraction of other important minerals.

EL: Co-op, Internship

One of the largest accredited petroleum engineering programs in North American

CULTURES OF DISPLAY
BACHELOR OF ARTS
Students take specific Art History and Media Film studies courses to prepare for a career in the curatorial field. The program was designed to meet the demand for specific training in this area.

EL: Professional Placement Program

FILM STUDIES
BACHELOR OF ARTS
Faculty of Media, Art, & Performance The film studies program results in a liberal arts degree where you will focus on media studies while developing skills in critical thinking, analysis, problem solving, decision making, and communication. You will also study interdisciplinary knowledge and a strong awareness of culture.

EL: Professional Placement Program

INDIGENOUS FINE ARTS & ART HISTORY
BACHELOR OF ARTS
The Department of Indigenous Fine Arts teaches not only the history of Indigenous art but also modern art and technique in both two and three dimensions.

EL: Professional Placement Program

MUSIC
BACHELOR OF MUSIC, BACHELOR OF ARTS
The music program provides excellent preparation in the fields of performance (vocal or instrumental), composition, history, theory, or comprehensive music. Gain valuable experience in orchestral and ensemble conducting that will enable you to participate in dynamic vocal and instrumental ensembles.

EL: Professional Placement Program

UR INTERNATIONAL PROGRAMS CONTINUED

Undergraduate programs continued...
UNDERGRADUATE PROGRAMS CONTINUED

THEATRE AND PERFORMANCE
BACHELOR OF ARTS
Train to become an actor, designer, stage manager, technical director, or researcher in a professional-track program. Study with world class professors who are active artists and researchers. Concentrations: Acting, Design, Stage Management
EL: Professional Placement Program

VISUAL ARTS
BACHELOR OF FINE ARTS
Develop your professional expertise in two- and three-dimensional art (e.g. painting, sculpture, ceramics, printmaking, etc.) while studying alongside established artists and researchers.
EL: Professional Placement Program

HUMAN KINETICS
BACHELOR OF KINEOSCIENCE
Focuses on biomechanics, physiology, exercise physiology, and movement science in relation to health and disease. Also referred to as exercise science.
EL: Fieldwork

BIOLGY
BACHELOR OF SCIENCE
You will design experiments and projects, conduct field and laboratory research, and learn to think analytically and critically. Examples of areas you can explore are environmental issues, the workings of the human body, and photosynthesis. Concentrations: Cellular and Molecular Biology, or Ecology and Environment.
EL: Co-op

SPORT AND RECREATION MANAGEMENT
BACHELOR OF SPORT AND RECREATION STUDIES
Blend your passion for sports and administration in Sport and Recreation Management. Graduate with a solid business foundation and a focus on the application to sport and recreation events or organizations.
EL: Fieldwork, Internship

THERAPEUTIC RECREATION
BACHELOR OF SPORT AND RECREATION STUDIES
Study how leisure, play, and sport are a vital therapeutic component for people with mental or physical health issues or injuries in this nationally-certified program.
EL: Fieldwork

ACTUARIAL SCIENCE
BACHELOR OF SCIENCE
Become experts in risk management. You will apply mathematics, statistics, and risk theories to the design of insurance and pension programs and various business environments.
EL: Internship

COMPUTER SCIENCE
BACHELOR OF SCIENCE
Learn all aspects of computing from coding to user-interfaces. Explore how to program computers for simple and complex tasks such as computer graphics, animation, and video games.
EL: Co-op

BIOCHEMISTRY
BACHELOR OF SCIENCE
Learn biophysics, molecular genetics, and complex biological processes. Focus is biosynthesis of natural products and understanding living cells at the molecular level. Expand your understanding of statistics and your ability to use your skills and knowledge in a laboratory context.
EL: Co-op

ECONOMICS
BACHELOR OF ARTS, BACHELOR OF SCIENCE
Explore how societies deal with economic problems, provide for the economic wellbeing of their citizens, decide what goods and services to produce, which methods to use in production, and to whom these goods and services will be distributed.
EL: Co-op

ENVIRONMENTAL BIOLOGY
BACHELOR OF SCIENCE
Explore contemporary environmental issues and learn how to monitor, assess and manage the use of natural resources, apply mapping and remote sensing techniques and conduct research.
* Must first complete a diploma program in Resource Management through SaskPolytechnic, Lethbridge, or Lakeland College.
EL: Co-op

ENVIRONMENTAL GEOSCIENCE
BACHELOR OF SCIENCE
Study the geological and geographic composition of the environment and the forces that shaped and continue to shape our Earth. The Environmental Geoscience undergraduate degree at the University of Regina provides students with the pre-requisites for registration as a Professional Geoscientist in Environmental Geoscience in accordance with provincial legislation in Saskatchewan.
EL: Co-op

ENVIRONMENTAL SCIENCE
BACHELOR OF SCIENCE
Explore environmental science by addressing environmental issues, principles of science and medicine as they relate to medical radiography. You will become skilled in the techniques and equipment used in diagnostic imaging departments.
* Must first complete SK Polytech Diploma

GEOPHYSICS
BACHELOR OF ARTS, BACHELOR OF SCIENCE
The study of geography allows you to determine how people interact with their environment. The discipline is diverse and is based upon a blend of both natural and social sciences.
EL: Co-op

PHYSICS
BACHELOR OF SCIENCE
Physics is the basis of all other sciences and involves the study of space, time and energy. This program is a co-operative effort between the U of R and participating industrial employers. These partnerships enable you to obtain hands-on, practical experience.
EL: Co-op

PSYCHOLOGY
BACHELOR OF SCIENCE
Why do we behave the way we do? Learn how people relate to each other and the world around them, while also learning about yourself. Psychologists tackle an array of questions about what makes us human.
EL: Co-op

SOFTWARE SYSTEMS DEVELOPMENT
BACHELOR OF SCIENCE
Enjoy solving technical problems or using simple programming languages to create your own computer games and software materials? Create, design, implement, and test large software systems throughout this program.
EL: Co-op

STATISTICS
BACHELOR OF SCIENCE
Explore the data-driven science of how statistics and numbers help us understand the world, predict future events, and analyze information.
EL: Co-op

FACULTY OF SOCIAL WORK

SOCIAL WORK
BACHELOR OF SOCIAL WORK
Are you passionate about supporting individuals, families and communities to enhance their well-being and reach their full potential? Learn to counsel individuals, facilitate groups, analyze social policy and programs, and develop and administer social programs, and empower community groups.
* Apply into Bachelor program after 1 year (minimum) of Pre-Social Work.
EL: Practicum required

FACULTY OF NURSING

NURSING (REGISTERED NURSE)
BACHELOR OF SCIENCE IN NURSING
Study microbiology, Indigenous health, pharmacology, counseling, assessment and more. You will begin your nursing education in year 1 with opportunities to work directly with patients and clients. The program will enable you to make a real difference in the lives of your clients and communities and work as a valuable member of a healthcare team.

- Hospitality, Tourism and Gaming Entertainment Management (15 credit hours)
- Visual Arts (2 years)
  Must submit a portfolio by April 1 for entrance into the Fall semester or by December 1 for entrance into the Winter semester.

**ENGLISH REQUIREMENT:**
The following meet the University’s English-Language Proficiency requirement:

- TOEFL: Internet Based: Overall 83, Reading: 20, Listening: 20, Speaking: 20, Writing: 20
- CanTest: Listening 4.5, Reading 4.5, Writing 4.0

If you do not meet the English requirement, the university may choose (depending on the particular circumstances) to send you a conditional acceptance letter until you meet the required standard. You can use this letter to apply for your study permit. Once you have met the English requirement, we will send you a full letter of admission.

For information on short-term visits, go to www.uregina.ca/international/future-students/short-term-visit.html

**SHORT-TERM VISITS**

For more information, applicable fees, and how to apply, visit our website https://www.uregina.ca/international/study-abroad/Graduate%20Research%20Student/index.html or send us an email to study.abroad@uregina.ca

**CENTRE FOR CONTINUING EDUCATION**
If you are 21 years of age or older or have approval from the Director of the Centre for Continuing Education, you can apply for open admission. This requires no documentation of your academic history.

If you are applying for regular admission, you must submit your official high school and post-secondary (if applicable) transcripts.

**VISITING STUDENT**
If you are studying at another recognized post-secondary institution and would like to take some courses at the University of Regina toward your program, you can apply to be a visiting student.

Submit the application form at https://www.uregina.ca/international/study-abroad/visiting-students1/how%20to%20apply.html along with the required supporting documents and the applicable fees.

For more information send an email to study.abroad@uregina.ca

**VISITING UNDERGRADUATE RESEARCH STUDENT**
The Visiting Graduate Research Student category is available to graduate students who are enrolled in a degree program at an accredited university and wish to do research at the University of Regina with an accredited faculty member as a host supervisor.

For more information, applicable fees, and how to apply, visit our website https://www.uregina.ca/international/study-abroad/Graduate%20Research%20Student/index.html or send us an email to study.abroad@uregina.ca

**VISITING UNDERGRADUATE RESEARCH STUDENT**
The Visiting Graduate Research Student category is available to graduate students who are enrolled in a degree program at an accredited university and wish to do research at the University of Regina with an accredited faculty member as a host supervisor.

For more information, applicable fees, and how to apply, visit our website https://www.uregina.ca/international/study-abroad/Graduate%20Research%20Student/index.html or send us an email to study.abroad@uregina.ca

**SPECIAL STUDENT**
These are university graduates who wish to take additional courses to satisfy personal interest or for professional development.

If you have not previously attended the University of Regina, here is how to apply for admission as a special student:
1. Submit an undergraduate application form.
2. Submit the $100 application fee.
4. Provide proof of your English-language proficiency.
5. Provide a copy of your passport’s personal information page.
HOW TO APPLY TO THE UNIVERSITY OF REGINA

Before you get here, do the following to apply for admission to undergraduate studies.

COMPLETE YOUR APPLICATION
Follow the application process at www.uregina.ca/international

1. Fill out the Online Application - https://banner.uregina.ca/prod/sct/bwskalog.P_DispLoginNon
2. Pay the $100 CAN application fee. There are 3 ways you can pay:
   1. Credit Card (email the card number, expiry date and CVV code)
   2. Flywire (if you do not have a credit card you can transfer funds to us at www.flywire.com/school/uregina)
   3. Cash (come to our office (College West Room 127) to pay)
3. Email us your documents in PDF format to international.admissions@uregina.ca
4. High School Transcript (Years 10,11 & 12)
5. Front and back page (if there is information on it) of transcripts from additional education after High School
6. Your English Language Proficiency test
7. Copy of your passport

Points of Note:
If you don’t have your ELP yet, that’s okay; we will issue you a Conditional Letter of Acceptance if you are academically admissible.

Original documents will be required once you arrive in Regina. Please be sure to provide a certified English translation for all documents.

To gain transfer credit you are required to submit College and University transcripts directly from the institution or in a sealed envelope. Transfer credit will not be awarded for courses taken at institutions that are not listed on application forms. We will contact you by email within 2-3 business days after the application has been received.

Points of Note:
If you don’t have your ELP yet, that’s okay; we will issue you a Conditional Letter of Acceptance if you are academically admissible.

Once a decision has been made regarding your application, an answer will be sent electronically.

If you are accepted and would like to get the acceptance package mailed, there is a fee of $100 CAN. Please ensure to let the office know when you send in the application.

REGINA IS ONE OF THE MOST AFFORDABLE CITIES IN CANADA. FROM DINING TO ENTERTAINMENT, HOUSING TO TRANSPORTATION. THE QUEEN CITY IS A VIBRANT AND THRIVING PLACE, AND WITH ITS ATTRACTION COST OF LIVING, YOU CAN ACTUALLY AFFORD TO ENJOY IT!

Flexibility on the number of courses per year*

* International students who hold the valid study permit have to take minimum 3 courses per term in fall and winter semesters

TRANSFER CREDIT
If you successfully completed courses at another post-secondary institution, you may apply for transfer credit. This is awarded at our faculties’ discretion.

Students who successfully completed certain courses in International Baccalaureate programs or Advanced Placement are eligible for transfer credit.
LIMITLESS OPPORTUNITIES AT THE U OF R

Regina is a great place to gain international work experience, and we will help you get a job.

YOUR PATHWAY TO A PROFESSIONAL FUTURE IN CANADA

The UR International Team is designed to set you up with the knowledge and skills to find career-related employment while you study or after you graduate. We’ll help you look for that perfect job.

THE CO-OPERATIVE EDUCATION & INTERNSHIP PROGRAM

The U of R pioneered the Co-operative (Co-op) Education Work Experience Program in western Canada. Co-op gives you valuable experience-based learning while you’re taking almost any undergraduate degree. In 2017, these programs helped our students earn over $10 million.

• Learn while you earn. Co-op students earn, on average, $11,500 per four-month placement as much as $45,000 to help pay for their education. Participating students alternate between work and study semesters for the last three years of their program.
• Explore your career options. See what it is like to work in a specific field, and meet future employers.
• Develop a network of contacts in your field. Most co-op students get permanent job offers from their employers before they graduate.
• Increase your earning potential. The U of R makes more co-operative education and internship placements than all other post-secondary institutions in Saskatchewan combined.
• Co-op Programs are offered in: Liberal Arts, Business Administration, Engineering, and Science.

SCHOLARSHIPS

A scholarship can ease the expense of tuition fees and living expenses in a university education. And good news: the number of scholarships that international students can apply for increases after their first year at the university.

UR INTERNATIONAL’S TOP SCHOLARSHIPS

UNIVERSITY OF REGINA INTERNATIONAL ENTRANCE SCHOLARSHIP

All international students who enter the University of Regina with a GPA of 85% or more receive their choice of either $3,000 in tuition reimbursement or eight months of residence at the university.

UR CIRCLE OF SCHOLARS - $20,000

This scholarship program was created to recognize the best and brightest first-year students from our top 3 regions around the world entering the University of Regina each Fall. The scholarship is paid over 4 years ($5,000 each year) to the student from each region with the highest Admission Average. New students coming directly from high school who apply for admission to the Fall semester by July 1st are automatically eligible.

*Restrictions do apply

To learn more about scholarships, visit: www.uregina.ca/safa/awards/index.html

CO-OP FACTS

90% of students who apply for a co-op placement get one

• 55% growth in the last 10 years, and 26% of these were international students working in Canadian placements

OVER $10 MILLION EARNED IN 2017

$3,100 PER MONTH AVERAGE SALARY IN 2017

STUDENTS WITH 85% GPA GET $3,000 OR 8 MONTHS FREE RESIDENCE!
LIVE HERE

U of R Residences are located right on campus, so you’re always close to everything you need to succeed!

RESIDENCE LIFE

Living on campus makes it easy to make new friends and get involved in both social and educational activities. Our residences are some of the most affordable in Canada, and with more than 16 room styles to choose from, we are certain there is a perfect room to call your home!

ON YOUR OWN BUT NOT ALONE

When you live on campus, you have a whole team of friendly people to support you. Our Kisik Towers location has helpful staff available 24 hours/day, 7 days/week. We are here to help with whatever you might need. In addition, Resident Assistants live in every building and are available any time to provide assistance or support. All campus locations are very safe and secure. Grad and Mature student Housing available.

WHY YOU SHOULD LIVE HERE:

• It’s Easy: Rooms are furnished – all utilities are connected and included!
• Great Location: It’s the best location in the city! Be close to classes, food, and transportation!
• It’s FUN! You will meet so many friends and enjoy numerous activities and events!

SPECIAL FOR INTERNATIONAL STUDENTS: International Application:

To make it easy for you to apply, we have created a Housing Application specifically for international students. Choose this if you would like to complete a shorter application and confirm your room in one step!

Apply Here: www.uregina.ca/housing/apply/international-students.htm

The Global Citizen Living-Learning Community (LLC):

A Living-Learning Community is a group of students that live together in student-housing because they share similar interests. This makes it really easy to make friends and get involved in university life! Each LLC Community is given a special location and we plan special programming and events just for you! The Global Citizen LLC offers 5 or 6 bedroom apartments in the beautiful College West location! This LLC is very popular with international students but also welcomes domestic students who appreciate building relationships across cultures. There is a $100 participation fee for this community. To learn about this LLC, and other LLC options, visit our website or contact our team. Learn more: www.uregina.ca/housing

“THERE ARE SO MANY GOOD SPOTS TO HANG OUT AND STUDY, AND ALL MY FRIENDS LIVE NEAR ME. I LOVE LIVING ON CAMPUS!”

– Aakash, U of R Student
The University of Regina is home to 13 inter-varsity athletics teams that compete against other post-secondary institutions across Canada and the United States. With students from all over the globe joining our athletics teams, we need YOU to be loud in the crowd! Join us on game days to cheer on all of our athletics teams!

RECREATION SERVICES:
YOUR ONE STOP SHOP FOR FITNESS AND FUN

UR FIT
UR Fit are the premiere group fitness classes hosted right on campus! We have everything from Zumba, to spin classes, to workout boot camps.

SPORTS CLUBS
With more than 11 sport clubs on campus you are sure to find the sport for you! Our clubs are a proud member of this campus and would love to have you.

AQUATICS CENTRE AND FITNESS AND LIFESTYLE CENTRE
The U of R is home to a state of the art aquatics centre that offers free open swim times for students and swimming lessons. The Fitness and Lifestyle Centre features an elevated 200-meter four-lane running track, a large fitness centre, and workout space available for students with a valid U of R Student ID. Join us for fitness and fun.

INTRAMURALS
Intramurals is the perfect way for you to get involved, meet new people, all while playing the sports you love. With something for everyone, you are sure to find your fit here! Email us at intramurals@uregina.ca for more info.
For the cost of U of R tuition fees, you can receive an excellent education while exploring cultures elsewhere in the world. Decide where you would like to study and apply online! It’s easy to sign up for the Study Abroad and Mobility Program, and scholarships are available.

STUDY ABROAD
The University of Regina offers great options for Study Abroad and Mobility programs among 450 universities in 70 countries: in Europe, Asia, Oceania, North America and South America. U of R international students have the exciting opportunity to experience a semester, summer, or academic year abroad through a variety of student exchange programs, while gaining academic credits toward their degree. This includes the global internships administered by Education, Kinesiology, Social Work, Justice Studies and Nursing.

For more information, please contact the Study Abroad office at study.abroad@uregina.ca
