Click on: “Login to UR Self-Service”

University of Regina students have access to grades, transcripts, tax forms, financial account summaries, academic and financial holds, personal information, parking permits, and book lists online. To access, a user ID (student ID number) and Personal Identification Number (PIN) are required, which are distinct from your username/password. Changing your PIN does not change your password, and vice-versa. Your student ID and PIN are used only to sign into UR Self-Service.

Your initial PIN is your birthday in the format DDMMYY

Changing Your PIN
To change your PIN, you must sign into your Self-Service account. Click on “Personal Information” then click on “Change PIN.” Your PIN must be exactly 6 characters and all numeric.

Students are encouraged to change their PIN for increased security.

Wireless
Connect your computer to the encrypted campus Wi-Fi network. Laptops & smart phones can use the eduroam network, enter your username@uregina.ca and your UR Courses/Webmail password.

Personal routers are not allowed in Residences; UofR wireless is provided.
